Enrollment Increase Sets All Time Record

By ESTHER ALEXANDER

Student enrollment for Fall Quarter 1961 has set an all time record. It showed an increase of 470 percent over last Fall’s enrollment of 4,049.

Freshman enrollment to date is 1,781 freshmen: 1,054 men and 727 women. Class attendance is 915 Junior and 702 seniors. The Associated Student Body office is now open for business.

Four permanent and six temporary student bodies were registered. The total enrollment of 1960 compared to 1959 was down 5 percent. An influx of freshmen to Fall Quarter 1961 gave the enrollment a boost from 1117 to 1186. The Agricultural and Business and Social Science Division were increased in number to 85 and 187, respectively.

Student enrollment is at an all-time high.

President urges students to plan life goals now.

Foreman outlines forthcoming year: Changes expected

Foreign student orientation and a campus wide study to promote student-teacher relationships were among the ten goals set for this academic year outlined by Associate Director Julian A. McPhaa in his annual address to the students and faculty of the Kellogg-Voorhees and San Luis Obispo campuses.

As students enrolled in record numbers, the bookstore set a record of its own. Over 50 tons of books were sold and during the first three days of school, reports Duke Hill, bookstore manager. With over 5,000 students registered, this represents an average of over 10 books per person.

Topping the "best seller" list were books on economics and mathematics. Inexpensive high enrollment texts for use during the first quarter, however, caused this group to be short of books on many subjects. Available from book store, Hill stated that the store sold over 4,000 engineering composition pads, 8,000 notebook folders, 1,320 assorted pads and notebooks, 20,000 pens and pencils and 1,000 slide rules.

Hill said that he "can’t possibly estimate the private volume of sales so far, but I did say that more than 39,000 was taken during the same period last year. "I am sure that we will equal that figure this year," he added.

Is Cal Poly everything you expected?

George K. Allin, wide of Arne Foreman, from Lemon, Pomona, incidentally, I wasn't too sure what to expect when I came here. So far, the courses have been interesting and comprehensive. The teachers seem interested in the subject. Actually, the rain is more than I expected, but there is still great entertainment.

Julie De Havilland, from Hills College, Yes, in fact it's more than I expected. We now have an excellent group of sports and we have to most medical or funeral assistance we are not available and sometimes, it's impossible to get involved in the social life.

President McPhoe Hosts Annual Staff Reception

President Julian A. McPhoe hosted the 50th annual President's Reception for the Cal Poly staff and students at his campus home last weekend.

The event was attended by nearly 70 guests, including members of the academic staff and members of the student body. Refreshments of coffee and tea were served, along with a special catered buffet.

New Procedures Set
For Room Requests

New procedures are in effect regarding room reservations for emphasis on efficiency and clarity. Requests for rooms or facilities by off-campus groups will be processed by the Activities Office located in the Post Office building.

Deadline Notice Served
By Audio-Visual Center

Because the Audio-Visual Services Center is in the middle of an ever-increasing shortage of equipment and material, it has served notices of a deadline for equipment requests.

Requests must be placed with the Audio-Visual Office two days prior to the time needed. For use after 5 p.m. the day needed may be counted on as a class day.

Employment Problems?

Check Placement Office

Students interested in part-time employment, both on and off campus, should become acquainted with the College Placement Office. This office, located in Administration Building 306, is the referral office for all part-time student employment opportunities in the dining halls, the accounting office, and the following departments: grounds, personnel, maintenance, security, custodial, purchasing, and the general office.
