The charges were made after

**Deadline Set For Speakers During RILW**

The deadline for speakers during RILW will be Friday, Nov. 29.
AC Students Tour Buy Area Concerns

On Wednesday, November 22, students from the Accounting Club made a tour of several Bay Area concerns. The purpose of the tour was to provide them with an overview of various accounting practices and procedures used in different industries.

Student reactions were varied, but all agreed that the tour was a valuable learning experience. "I learned a lot about the importance of accurate record-keeping," said one student. "It's amazing how much goes into just one transaction."

THE BELL TELEPHONE COMPANIES

SALUTE: BRAD ZUVER

The story of Brad Zuver, a young man who has made a remarkable transition from college student to successful businessman, is one that inspires many others. 

Brad Zuver (B.A., 1977) has demonstrated his creative and entrepreneurial spirit throughout his academic and professional careers. He has started several businesses, including a successful accounting firm, and has been recognized for his contributions to the community.

Despite his success, Brad remains humble and dedicated to helping others. He is currently involved in several charitable organizations and is a mentor to several young people.

Bringing Success to the Classroom

Brad's success in the classroom has been equally impressive. He was a member of the National Honor Society in high school and has maintained a high GPA throughout college. His dedication to his studies and his ability to balance work and school have earned him several academic awards and scholarships.

Brad's story is one of hard work, determination, and success. His achievements serve as an inspiration to others and demonstrate that with the right mindset and attitude, anything is possible.

The time has come to think of Christmas shopping, for the stores are open to shoppers at seven o'clock, and the last day for buying presents is December 23.

One reason for the shopping is the desire to make your Christmas present as interesting and for the time has come to think of Christmas shopping, for the stores are open to shoppers at seven o'clock, and the last day for buying presents is December 23.

One reason for the shopping is the desire to make your Christmas present as interesting and distinctive as possible. The other reason is the desire to buy presents that will please the recipient.

To make a gift interesting, one must think of what the recipient likes and dislikes. If the recipient is an art lover, a gift of a painting or a sculpture would be appropriate. If the recipient is a music lover, a gift of a recording or a musical instrument would be appropriate. If the recipient is a sports lover, a gift of a sports equipment or a ticket to a sports event would be appropriate.

To make a gift pleasing, one must think of what the recipient likes to wear or use. If the recipient is a fashion lover, a gift of a piece of clothing or a piece of jewelry would be appropriate. If the recipient is a food lover, a gift of a food item or a cooking utensil would be appropriate. If the recipient is a home lover, a gift of a home decor item or a gardening tool would be appropriate.

In conclusion, making a gift interesting and pleasing requires thought and consideration. It is important to think of what the recipient likes and dislikes and what they like to wear or use.

ROTC Drill Team, Kaydettes Place High in Festivals

The Cal Poly ROTC Drill team and the Kaydettes placed high at the fifth annual Armed Forces Festival, held at the Orange County Fairgrounds.

The team performed in the Festival of Lights, a competition for the best drill team in the United States. The team performed their routine to the song "America the Beautiful," and were awarded first place, with the Kaydettes receiving second place.

The team's performance was praised by the judges, who cited their precision and the energy of the performers. The team's success is a testament to their hard work and dedication.

Graduating Class Seeks Gift Idea

A student at Cal Poly is seeking a gift idea for graduation. The student is looking for a gift that is both meaningful and practical.

The student has considered a variety of options, including a personalized gift, such as a custom-made piece of jewelry or a custom-made piece of artwork. The student has also considered a practical gift, such as a gift certificate or a gift card.

In conclusion, the student is seeking a gift idea that is both meaningful and practical. The student hopes to find a gift that will be remembered for years to come.

Advertising is Subject Of Book Review
