Polys Unite for 2-Day Festivities

A weekend of organized entertainment will be held by members of the college's Student Affairs Office in the Student Union building from noon to 11 p.m. Friday and Saturday.

The Campus Activities Board, a student organization, has planned a variety of activities designed to appeal to all members of the college community.

The weekend will feature a variety of entertainment, including live music, dancing, and games. There will also be a variety of food vendors and a craft fair.

College Delegates Plan CU Promotion

A group of college students from the United States and Canada will visit the campus to promote their institutions.

The delegation will include students from the University of California, Berkeley, and the University of British Columbia. They will be on campus from March 20 to 22.

The delegation will be on campus to promote their institutions and to network with other students from across the United States and Canada.

Tensions of Math Will Be Relieved by Lecture Series

A lecture series on the history of mathematics will be held in the Student Union building from 11 a.m. to 1 p.m. on Monday.

The lectures will be given by Dr. John Smith, a professor of mathematics at the University of California, Berkeley.

The lectures will cover the history of mathematics from ancient times to the present day.

Papacy is Subject of Thursday Talk

A talk on the papacy will be held in the Student Union building at 7 p.m. on Thursday.

The talk will be given by Dr. Jane Doe, a professor of religion at the University of California, Berkeley.

The talk will cover the history of the papacy and its role in the Catholic Church.

Math Majors Pick Queen This Week

The Mathematics Department will hold its annual queen selection this week.

The queen will be chosen from among the math majors on campus.

The queen selection will take place on Tuesday at 7 p.m. in the Student Union building.

Recall Dateless Freds? Dorms Not Date Bureau

The college is not responsible for arranging dates for students.

The college does not maintain a date bureau for students to arrange dates.

The college encourages students to meet and form relationships on their own.

Magician, Words on People's Agenda

A magician will perform at the Student Union building this weekend.

The magician will perform tricks and entertain the audience with his skills.

The magician's performance will be followed by a discussion on the nature of magic and the tricks used to perform it.

Manager of Words on People's Agenda

A manager of words will perform at the Student Union building this weekend.

The manager of words will give a talk on the use of language and its impact on society.

The talk will be followed by a discussion on the role of language in communication and its effect on society.
ARROW holds that tiger

ARROW turned the collar and let the pin run wild in this hand-woven Gordon Doar Club button-down. The buttons are whipped precisely into place to make the collar roll over gently without looking flat and drabbing dead. The styling is try... clean, lean, fully American body with back pleat, button and bang loop, inside, and outside. Choose from crew or solids, too.

GPA - A Status Symbol?

GPA - A Status Symbol?

There's a fellow that is blossoming too many apples. The fellow is known as GPA, short for the scholastic term 'Grade Point Average.' Just those little words mean the most.

Many critical commentaries have been written concerning the "false idol" which Americans as a whole tend to worship. The Cadillac, the "lure club" and the color TV, if it is to be

President, the new student leader of the VA regional council, have for many months been trying to find a student leader in Washington and in South Africa, the American University Student Council, to speak of their education, and to speak of their work in the field of education, and to speak of their work in the field of education, and to speak of their work in the field of education, and to speak of their work in the field of education.

Margaret Fanning Rules As ROTC Ball Queen

Margaret Fanning, a senior ROTC member, was named the queen of female ROTC members at the annual ROTC Ball held on Friday night at the Student Services Center Ballroom in the University Union.的选择: Margaret Fanning, a senior ROTC member, was named the queen of female ROTC members at the annual ROTC Ball held on Friday night at the Student Services Center Ballroom in the University Union.

News of the day

Engineering Week Slates Feb. 16-22 Celebration

Engineering Week will be held Feb. 16-22, with a total of 11 events, to celebrate the contributions of engineers. The week will include a variety of activities, such as guest lectures, panel discussions, and networking events. The theme of the week is "Innovations in Engineering: Shaping the Future," highlighting the importance of engineering in addressing global challenges. Students and faculty are encouraged to participate in these events to celebrate the achievements of engineers and to learn about the latest developments in the field. The week will also feature a special focus on diversity and inclusion, with events aimed at promoting equity and access in engineering education and careers. The Engineering Week committee is seeking volunteers to help organize and participate in these events. For more information, please contact the Engineering Week coordinators at engweek@calpoly.edu.素材：Engineering Week will be held Feb. 16-22, with a total of 11 events, to celebrate the contributions of engineers. Mustang Quint Wins First CCAA Game; Horwath Sets Mark

The Mustangs took another step towards national prominence last weekend as they defeated the Long Beach State Flyers in three straight games. The Mustangs, who are currently ranked third in the nation, have yet to lose a match this season.

Horseshoes Look For Good Season

With 10 players returning from the 1963 season, the Mustangs are optimistic about their chances this year. The team has already won two games and is looking forward to the upcoming season.

Aquamen Invade Pool For Intramural Meet

The Mustang matmen posted a 2-3-1 record in the recent tournament. The team's performance was not as strong as expected, but they are looking forward to the next competition.

Matmen Return Today After Rough Road Trip

Call Palt's matmen will be tough to beat for their uphill battle in dual meets this season. The Mustangs have yet to lose a match this season and are looking to continue their winning streak.

Student Travel

Student Travel...a Logical Career Move

Students who are interested in traveling can apply for the Student Travel Program. This program allows students to travel at a reduced rate and learn about new cultures.

WAA NEWS

WAA NEWS...a Student Voice

The WAA newsletter is a student-run publication that provides updates on campus events and news.

Intramural Memo

After two weeks of the intramural season, everyone is starting to get the hang of it. All teams are playing well, and everyone is having a good time. The intramural office does not assume responsibility for checking eligibility. Anyone who is currently ineligible will be disqualified.

If you're interested in a chat, please contact the intramural office. We are always looking for new participants to join our team.

C P Bowling

Despite a 4-4 tie to the Western Express, the Mustangs bowling team posted a 2-2 record in their first two matches. The team is looking forward to the upcoming season and hopes to improve their record.
