Dr. Homer Jack, Founder of SANE, Will Speak During College Hour

El Mustang Housing Law, and an outline of publications.

The Poly Royal is much more. It is a carnival with rides, games, food, and fun. It happens in springtime, when people come together to celebrate the start of the academic year. The Poly Royal is a tradition that has been celebrated for many years. It is a place where students can come together to enjoy themselves and have a good time.

As the Poly Royal is a tradition that has been celebrated for many years, it is a place where students can come together to enjoy themselves and have a good time. A Thank You!

Editor:

I would like to write this letter to the staff and members of the El Mustang to express my appreciation for their help and support during my time here at Poly. I am the Mustang's editor during the fall quarter of 1964, and I have found the experience to be both challenging and rewarding.

I would like to take this opportunity to thank the staff for their dedication and hard work throughout the year. The Mustang is the voice of the students at Cal Poly, and it is important that we represent all students fairly and accurately.

I would like to express my appreciation for the guidance and support I received from my editor-in-chief, Jill Mitchell. She has been an invaluable resource and has helped me develop my skills as a journalist.

I would like to thank the students who contributed to the Mustang during this time. Your contributions have helped to make the paper a success.

I am looking forward to the spring quarter and am excited to continue working with the Mustang staff.

Thank you again for your support.

Sincerely,

[Your Name]
