I. Minutes: M/S/P to approve the executive committee minutes from January 6, 2015.

II. Communication(s) and Announcement(s): none.

III. Reports:
   A. Academic Senate Chair (Laver): The new city councilman, Dan Rivoire, will be on campus to meet with various groups including the Academic Senate Executive Committee. The nature of the proposed large donation towards a conference center and hospitality program has changed. The donation will likely be smaller to begin and will be used toward exploration of such a program. Per an agreement made last winter with the Senate, Karen Webb, Interim Vice President of Administration and Finance, has released the first in what we hope to be an annual list of the number of MPPs on campus.

   B. President’s Office (Kinsley): The President had his three-year review with the Board of Trustees and the Chancellor. The California Community College Survey requests feedback from the President, Provost, and Senate as to whether or not their program offerings conflict with CSU programs. The President is holding his quarterly local economic development committee meeting on February 13, 2015, which is open to the Executive Committee.

   C. Provost: none.

   D. Statewide Senate (Foroohar/LoCascio): Foroohar reported on the resolutions from her meetings from the week of February 9th. The first resolution asks the Chancellor’s Office to look at the academic freedom policy from 1971 and revise it. Another resolution that was passed unanimously, asks the campus senates to look at policy and encourage part time faculty to take part in shared governance. HR reported that recruitment numbers are up, but the density of tenure track faculty is still dropping. LoCascio reported on his meeting where he discussed what the definition of an upper division GE course is. Also, it was decided that if California adopts Common Core, the minimum requirement to enter the CSU is the minimum requirement to graduate high school, which requires intermediate algebra.

   E. CFA Campus President (Archer): There is an Unconscious Bias Workshop being held on March 6th in building 10, room 225 from 12 to 4:30 PM.

   F. ASI Representative: none.
