**Honors Curriculum - Working Draft**
Assessment Efforts

The Honors Program has made real progress in improving its assessment efforts. We value feedback and the continuous improvement process. Some recent examples...

- Quarterly review of students' academic performance
- Collecting and reviewing recruitment/admissions data
- Exit interviews and feedback surveys for Honors students
- Collecting artifacts of student work
**Future Goals**

The Honors Program continues to work on various programming, outreach, and administrative initiatives while soliciting feedback from Honors students, the Honors Task Force and stakeholders.

Listed in the Progress Report are short-term, intermediate, and long-term goals proposed by Honors staff. **We intend to fully implement the improved Honors Program beginning with the 2017-18 Academic Year.**
