III. Reports:
   A. Academic Senate Chair (Laver): Department chairs and administrators are discussing the possibility of modifying the program review cycles so that they are every 7 years instead of 6.
   B. President’s Office: none.
   C. Provost (Pederson): Academic Programs submitted an interim report and received a letter of response. The letter highlighted the two areas we’ve been working on campus-wide for our overall accreditation, which are “assessment of student learning” and “diversity and inclusivity”. There is also a mid-cycle report coming up in 2017 as part of the 10-year accreditation processes.
   D. Statewide Senate (Foroohar/LoCascio): Foroohar reported on a virtual meeting with the Statewide Faculty Affairs Committee. They are working on 4 resolutions; 2 are in first reading and 2 are in second reading. Two notable resolutions are a second reading resolution on background checks and a first reading resolution on shared governance. LoCascio reported on his discussions with the Statewide Academic Affairs Committee on what the definition of a master’s program should be. They also endorsed that ethnic studies programs should be available, but not a graduation requirement.
   E. ASI Representative (Monteverdi): ASI is considering a policy change to include cost of living as part of salary increases since it is currently only merit based.
