The fair offers skiing scope

Conservatively speaking, skiing has become a popular sport in recent years. One can ski almost anywhere in the world, and skiing has become a spectator sport as well. The fair offers skiing scope in both these areas. People can learn to ski, and those who already know to ski can perfect their techniques. The fair also offers equipment, including skis, poles, and bindings. The fair is a great way to spend a day in the snow, and it is open to everyone.

**Wrestling benefit set**

After a most successful scram­bling trip to the Southland last weekend, Coach Vaughan Hitch­man pointed out another Tuesday night date to the first open challenge of the year.

The contest, sponsored by Block P, will be held at 7 p.m. in the Men's Gym. Admission will be $1 with ASI card and $1.00 without.

"The money obtained from these matches will be used in the Block P athletic scholarship fund. It will be a very good chance for our new wrestling team to show off the fans for the first time since last year," said Coach Hitch­man.

The featured match of the evening will pit two All Americans against each other in the 160 lb. weight class. Last year Dennis Downing was crowned national champ at 162 lbs. in the NCAA finals.

The contest, sponsored by Block P, will be used to determine who will represent C Poly in the upcoming bout with UCS Santa Barbara and the San Jose Tournament.
