Brandenburg Concertos featured

Three of Johann Sebastian Bach's six Brandenburg Concertos are to be featured in the Cal Poly Chamber Orchestra's Annual Baroque Concert on Saturday (Feb. 27) in the Cal Poly Theatre. The performance will begin at 8 pm. Those to be performed are the Brandenburg Concertos No. 1 in F major, No. 2 in F major, and No. 5 in D major. The program will also include the Concerto in D major for Horn and Strings by Leopold Mozart - father of Wolfgang Amadeus Mozart.

Johann Sebastian Bach was born in 1685 and died in 1750. It was in his work that the Baroque period - an age of ornate and eloquent musical language - is most clearly exemplified. Bach composed the six concertos in 1721 commissioned by Christian Ludwig, the Margrave of Brandenburg. When sent to the Margrave, they were not tentative gestures but fully developed works which had been performed frequently at Coethen where Bach was employed as court musical director under Prince Leopold.

The Cal Poly Chamber Orchestra, under the baton of Clifton Swanson, will be joined by special guest artist Arthur David Kriehbiel playing the French horn. Other soloists will include Rebecca Brooks, violin; Alice McGonigal, flute; Ronald V. Ratcliffe, harpsichord; and John Winter, oboe. Reserved seat tickets for the performance are $6 for the general public and $4 for students. They may be purchased at the University Union ticket office, Monday through Friday from 10 am to 4 pm. Information and reservations may be obtained by calling Ext. 1421.

Gravure education center established

Cal Poly's Graphic Communications Department has been selected as the Regional Gravure Education Resource Center for the Western States. The Gravure Education Foundation of New York gave Cal Poly a grant and a variety of educational materials including slides, motion pictures, technical publications, and other published materials related to the gravure printing process. Presented during a recent ceremony at the university, the materials will be used to support existing courses of the Graphic Communications Department. Foundation President Warren R. Daum said that beside establishing yet other courses and graphic arts educational facilities, the new regional center will provide "a resource of knowledgeable motivated leaders who will be equipped to cope with new and emerging technologies." In addition, the Cal Poly department hopes to be able to provide training and professional development for those already in the gravure industry.

The new Regional Gravure Education Resource Center at Cal Poly is one of five such centers established by the Gravure Education Foundation in recent months. Others are located at Clemson University (S.C.), Rochester Institute of Technology (N.Y.), State University of New York at Oswego, and Western Michigan University. Guy Thomas, head of the Graphic Communications Department, said the new resource center is "an extremely valuable enhancement" to the university's existing bachelor's degree program in the graphic arts.

Women's history week scheduled

Activities to celebrate National Women's History Week are currently in the planning stages at Cal Poly. The celebration will take place throughout the week of March 8. Being planned are lectures and other programs on such topics as "Trends in Women's Literature" and "History of American Working Women," film showings and dramatic presentations.

Also scheduled is an art exhibit focusing on the historical role of women in American society. Willie Coleman (Counseling and Testing) who is coordinating the Cal Poly observance, said celebrating National Women's History Week each year provides an opportunity for schools and communities to focus attention on the lost heritage of women's contributions to contemporary culture.

Trustee Broad resigns

Eli Broad, chairman of the real estate development firm of Kaufman and Broad, Inc., has resigned from The California State University's Board of Trustees. Appointed to the Board in 1978, he served as vice chairman of the Board in 1979. His resignation is effective immediately. He cited business pressures as the cause for his resignation.
Baker member of key CSU committee

President Warren J. Baker will be in Long Beach on Monday (Mar. 1) to take part in discussions of the newly-formed Long-Range Planning Committee of The California State University.

The committee's first task will be to look at the 1982-83 CSU budget. Asked to serve by Chancellor Glenn Dumke, who chairs the committee, Dr. Baker is one of three presidents in attendance. The others are Harold Haak of CSU, Fresno and James Rosser of CSU, Los Angeles.

Trustee members are August Coppola, George Marcus, Lynne Myers, and Michael Peevey. Others serving on the committee include Robert Kully, president of the statewide Academic Senate; William Kline, chairman of the California Student Senate Association, and Jose Jack, president of the statewide Alumni Council.

Members of the Chancellor's staff who serve on the committee are D. Dale Hanner, vice chancellor, business affairs; Alex Sherriffs, vice chancellor, academic affairs; Louis Messner, chief, budget planning & administration, and Anthony Moye, assistant vice chancellor, academic programs.

Service Awards Lunch

The Cal Poly University Club is sponsoring the annual Service Awards Lunch for faculty and staff members who have been employed by the University for 10, 15, 20, 25, 30 and 35 years. This luncheon will be held in Chumash Auditorium on Thursday (Mar. 18) at 11:30 am. Ethel Spry (ASI) will serve as emcee.

The menu will feature enchiladas or chicken, salads, hot rolls, dessert and beverage at a cost of $4.25 per person. Background music will be provided by Rico's Encores, consisting of Enrico Bongio (an emeritus faculty member who taught from 1948 to 1979) and Eugene Miller.

Tickets may be purchased until Mar. 15, from: Mary Bachino (Ext. 2491) Adm. 209; Barbara Ciesielski (Ext. 2181) Adm. 125; David Lesczynski (Ext. 2436) Sci. C-44; Jim Neelands (Ext 2022) Fisher Hall 379; Ethel Spry (Ext. 1281) U.U. 202; and Joan Stadt (Ext. 2344) Library 204.

Tickets will not be sold at the door. All faculty and staff members are invited to the annual Service Awards Lunch.

Fifth annual Tay-Sachs testing program

Cal Poly's Student Community Services will conduct its annual Tay-Sachs test program in Chumash Auditorium on Tuesday (March 9), from 9 a.m. to 4 p.m. The public is encouraged to be tested for this fatal genetic disease, which causes destruction of the central nervous system. Infants who inherit the fatal Tay-Sachs syndrome don't live beyond the age of four or five.

The carrier rate in the general population is one person in every 150. For Jews the rate is much higher: one in 27. If both mother and father carry the gene, there is a 25 percent chance that their child will be born with Tay-Sachs. The test applies even for those who already have children. It is advisable to be tested if over the age of 18. The test consists of a small blood sample, and it is free. The test is not available through private laboratories or physicians, and it is not a part of the blood test taken before marriage.

45 to vie for Poly Queen Court

Forty-five Cal Poly women will be competing for five choice jobs - that of 1982 Poly Royal Queen and her court of four princesses to represent the university at the Golden Anniversary of the annual campus event. The candidates for the 1982 court will compete in a queen pageant at Cal Poly on Tuesday (Feb. 23) at 7 pm in Chumash Auditorium. Admission is free, and the public is invited. Refreshments will be served. The Cal Poly Jazz Band will perform during an intermission.

Local country bandleader Monte Mills will serve as master of ceremonies, and will provide questions for the aspiring Poly Royalty. Minimum qualifications for the ceremonial positions are 2.0 cumulative grade point average, junior status, nomination by a recognized student organization, and attendance at Cal Poly for three consecutive quarter. Judgment will be on the basis of poise, ability to speak well in public, and originality in thought when answering MC Mills' questions. Appearance will also be a factor.

Payday March 1
Multi-media show

The award-winning multi-media program, "Imagination," will be presented at Cal Poly on Thursday (Feb. 25) at 8 pm as a feature of Speakers Forum. Narrated by "Star Trek" star William Shatner, the musical/astrological suite is open to the public. Advance tickets are $2.50 for students, and $3 for the general public, available at the University Union ticket office. Door prices will be 50 cents more.

Featuring 12 projectors, 900 color transparencies, and a three-screen rear projection format, "Imagination" will be shown in Chumash Auditorium on the Cal Poly campus. Primary music for the show is RCA recording artist Tomita's version of Gustav Holst's "The Planets," a 20th Century classical work.

First-ever university irrigation exhibit

Ten Cal Poly agricultural engineering students and two faculty are putting the final touches on the first-ever exhibit by a university at the annual conference of the National Irrigation Association. This year's conference will be held in Portland, Ore., beginning Feb. 22. Cal Poly, through the student chapter of the American Society of Agricultural Engineers, received an invitation to exhibit at the conference.

Heading up the Cal Poly contingent will be Paul Weckler of Los Gatos, student president of ASAE, and Joe Glass and Charles Burt (Agricultural Engineering), irrigation specialists. According to Weckler, the exhibit will present some of the many facets of Cal Poly's irrigation curriculum. The student club members took the responsibility for coordinating the display materials.

Moped registration required

State Legislation now requires that all mopeds be registered with the Department of Motor Vehicles. Assembly Bill 1820 requires moped registration as a means of creating computer records to help in identification and recovery of mopeds that have been stolen.

All mopeds sold new on or after July 1, 1981 must be registered with DMV within five days of purchase. Those sold prior to July 1 should have been registered by Jan. 1, 1982, if not currently licensed by a local police agency. Those sold before July 1, 1981, and licensed with a local jurisdiction have until July 1, 1982, to be registered.

When owners pay the one-time $5 registration fee required by the new legislation, they will receive a license plate and identification card for their mopeds. Application forms and additional information about moped registration can be obtained from any DMV field office. In San Luis Obispo, the DMV office is located at 669 California Blvd. The telephone number is 543-0590.

Erratum

Cal Poly Report's effort last week to list the contenders in the run-off elections as received from the Public Employment Relations Board (PERB) was again incorrect.

The contenders in Unit 3 (Faculty) will be the Congress of Faculty Associations (CFA), and the United Professors of California (UPC).

Who, What, When, Where

Dan Piel, Art, was guest of honor at a reception held Feb. 2 to open an exhibit of his oil-on-canvas paintings titled "From Lincoln to Lennon" in Cal State L.A.'s new Exploratorium.

Robert Burton, History, spoke on Franklin D. Roosevelt at the National Association of Civilian Conservation Corps alumni Jan. 30 at Camp San Luis. The group met to commemorate the centennial of President Roosevelt's birth.

Takis Papakyriazis, Economics, recently presented a paper titled "Sequential Dynamic Regression Design with Dependent Variable Constraints" at the annual meetings of the Western Economic Association, held in San Francisco.

John C. Phillips, Crop Science, presented a research paper titled "Breeding Chickpea for Resistance to Root Rot and Wilt" at the 73rd Annual Meeting of the American Society of Agronomy held Nov. 29-Dec. 4, in Atlanta.

Charles J. Hicks Jr., Counseling Center, presented a paper titled "A Program Model to Facilitate the Career Development of Black College Students" at a workshop on Counseling the Non-White Collegiate, sponsored by The Professional Development Committee of the California College Personnel Association, at California State University, Dominguez Hills, Jan. 22.

Jack Jones, Education, was promoted to the rank of Colonel in the United States Army Reserve last week. He has been a member of the Army Reserve for 26 years and serves as a Public Education Officer in the 351st Civil Affairs Command Headquarters, Mountain View, California.

TUESDAY, MARCH 2

Men's Tennis: CSU Fresno. Upper courts, 2 pm. (!)

THURSDAY, MARCH 4

Seminar: Gene Coleman (Graphic Communications) on "Humanities vs. Technology: A Review." Faculty Office Building 24B, 11 am. Sponsored by the Political Science Department. (!)

Seminar: Peter Silverman of INTEL Corporation on "Megabit Bubble Memory Technology." Science E-27, 11 am. Co-sponsored by the EL/EE Dept. and the Physics Dept. Public invited. (!)

University Club: David Chipping (Physics) on "Waiting for the Next Big One!" Staff Dining Room, noon. (!)

FRIDAY, MARCH 5

Women's Tennis: CSU Dominguez Hills. Upper courts, 2 pm. (!)

Men's Tennis: CSU Northridge. Upper courts, 2 pm. (!)

SATURDAY, MARCH 6

Men's Track & Field: Riverside/Bakersfield. (!)

Men's Tennis: Chapman College. Upper courts, 10 am. (!)

Women's Tennis: CSU Northridge. Upper courts, 11 am. (!)

Women's Softball: CSU Dominguez Hills. Poly Field, double-header beginning at noon. (!)

Women's Gymnastics: Cal Poly Invitational. Crandall Gymnasium, 2 pm. ($)

Baseball: CSU Dominguez Hills. SLO Stadium, 2:30 pm. ($)

SUNDAY, MARCH 7

Baseball: CSU Dominguez Hills. SLO Stadium, double-header beginning at noon. ($)

Concert: The Cal Poly Men's Chorus presenting their "45th Anniversary Concert." Cal Poly Theatre, 8 pm. ($)

MONDAY, MARCH 8

National Women's IDstory Week:

TUESDAY, MARCH 9

Tay-Sachs Testing: Annual testing program for fatal Tay-Sachs syndrome. Chumash Auditorium, 9 am-4 pm. Sponsored by Student Community Services. Public invited. (!)

WEDNESDAY, MARCH 10

Les Ferreira, Dairy Science, and Roy Harris, Animal and Veterinary Science, presented a seminar on Bovine Reproduction at the School of Veterinary Medicine, Mexico City, Baja California, Mexico, to approximately 100 advanced veterinary students.

Russell H. Brown, Dean of Students, gave a presentation titled, "Student Development or Student Services—Does It Make a Difference?" at the National Association of Student Personnel Administrators and Western Deans Conference held in San Diego Jan. 12-15. Alice C. Loh, Landscape Architecture, was the main speaker on the opening evening of Design Forum '82: Women Up Front, held at Scripps College, Claremont, Jan 29 to 31. The Forum was co-sponsored by Association of Women in Architecture of Los Angeles.

Position Vacancies

Vacant faculty and staff positions at California Polytechnic State University and the Cal Poly Foundation are announced in this column, and are posted outside the respective personnel offices. Contact those offices (University: Adm. 110, 805-546-2236—Foundation: University Dining Complex, 805-546-1121) for applications and additional position details. Both Cal Poly and the Foundation are subject to all laws governing affirmative action and equal employment opportunity. All interested persons are encouraged to apply.

CLOSING DATE: 3-11-82

Lecturer, $1692-$2035/Quarter, Agricultural Engineering Department, School of Agriculture and Natural Resources.

CLOSING DATE: 3-12-82

Outreach Assistant (Student Affairs Assistant I), $728.50-$873.50/month; half-time, temporary through 6-30-82 with a possibility of continuation based on available funding. Student Affirmative Action.

CLOSING DATE: 3-15-82

Coordinator, Children's Center, $1366-$1506 plus benefits, Associated Students Inc.
