Golden Poly Royal starts tomorrow!

When Poly Royal started 50 years ago, the nation’s top movie stars were Marie Dressler, Janet Gaynor, and Charles Farrell. It was a time when a Congressman earned $8,663 a year, a college teacher made $3,111 annually, and a typist made $624. A bicycle sold for $10.95, butter was 28 cents a pound, cigarettes were 15 cents a pack, and a brand-new Pontiac was $585.

Well, times have changed, but the little “country fair on a college campus” at Cal Poly, San Luis Obispo, has retained the spirit and charm of the first Poly Royal.

The 1982 Poly Royal with the theme of “Tapestry of a Golden Era” will begin at 10 am on Friday, April 23, and continue until the final rodeo performance on Saturday night.

At the opening ceremonies, to be held in the War Memorial Plaza adjacent to the Administration Building, a life-size bronze sculpture of a rearing mustang (Cal Poly’s mascot) will be unveiled on a large concrete plinth.

Honored guest this year is Mrs. Muff Beck, widow of Poly Royal’s founder; special guest is sculptor Roy M. Harris, a physical education major from Blythe, and her court of four princesses. Vera Elizabeth Otto, a senior ag management major, will reign over the Poly Royal Rodeo after her selection early this month.

Miss Otto was selected for the honor following a competition judging the candidates’ poise, personality and horsemanship, among other qualities. She also becomes eligible to compete for Miss College Rodeo at the contest held in June at the National Collegiate Rodeo Finals.

Poly Royal features departmental displays in each of Cal Poly’s academic departments, concessions and exhibits from Cal Poly’s 300-plus student organizations.

On tap for entertainment are a soap box derby, rugby match, melodrama, Santa Maria-style barbecue, water polo exhibition, art exhibits, studio band performance, University Jazz Band Performance, and a tractor pull.

Alumni Association caps successful drive

The Poly Royal unveiling of the first official version of Cal Poly’s mascot, The Cal Poly Mustang, marks the end of the most ambitious campaign ever undertaken by the Cal Poly Alumni Association—and the most successful.

The Alumni Association directed the drive to raise funds to build the lifesize bronze statue sculpted by Cal Poly animal physiologist Dr. Roy M. Harris. The 1800-pound statue will be unveiled at 10 am tomorrow during the opening ceremonies of Poly Royal in War Memorial Plaza (between the University Union and the Administration Building.)

The unveiling comes almost a year from the time when the project was conceived by members of the county agricultural community. They saw the creation of a major campus art work as a fitting tribute to the university for its support of the agricultural community.

The Alumni Association, working with the Cal Poly Foundation, took the administrative reins of the project last spring. By mid-September, the association had launched a massive direct mail campaign to some 58,000 alumni, parents of students, business leaders, former customers of the artist, campus organizations—anyone with ties of any kind with the university.

To encourage donations, a bronze replica of the major statue was offered to contributors of $1000 or more. Dr. Harris, who is a well-known western sculptor, normally sells his bronzes for thousands of dollars.

The success of the fundraising campaign has enabled the Cal Poly Alumni Association to establish its special endowment fund. It will be used to enrich the association’s programs for alumni and students.

In two and a half months, the Alumni Association raised more than $150,000. Donations ranged from $25 from a retired Cal Poly employee who suggested that her “small gift might help out with stamps” for the campaign to some $6000 from a local developer who made a donation for each member of his family.

A Bay-area newspaper publisher donated $1000 so that he might add the Mustang replica to his collection of some 60 bronzes from all over the world. Another prominent publishing family contributed in the name of their daughter, a student at Cal Poly.

Several international companies matched donations of their employees; one parent of a student made a donation in the name of President Ronald Reagan.

The large plaque that will be placed below the statue, in fact, reads like a “Who’s Who for Cal Poly”—faculty members, former students, parents of current students, fraternal organizations, and well-known business and community leaders.

(Cont. on Page 2)
NEW DIALING GUIDE FOR ATSS CALLS

The university has recently received a new dialing guide effective May 1, 1982, for placing ATSS calls. This dialing guide reflects an increase in ATSS rates necessitated by telephone company rate increases. ATSS is no longer the most economical method of placing long distance calls throughout California. The new dialing guide lists those towns which should no longer be dialed via ATSS. Use of this dialing guide will insure that your calls will be placed in the most economical manner.

Copies of the new dialing guide will be distributed through the campus mail during the next week.

DEFENSIVE DRIVING CLASS CANCELLED

Cal Poly has been advised that effective immediately all Defensive Driver Training classes outside the metropolitan Sacramento area have been cancelled for the remainder of this fiscal year. This notice, according to Ray Macias, Procurement and Support Services Officer, was received from the Department of General Services, Insurance Office, and was necessary to comply with Executive Order No. B97-82, and in effect, cancels the classes scheduled on this campus on April 27-30. All temporary licenses which will expire in April will be extended pending rescheduling of classes. Information regarding rescheduling of classes will be distributed as soon as it is available from Sacramento.

FEE WAIVER DEADLINE MAY 7

Information and application forms are available in the Personnel Office for state employees to participate in the Fee Waiver Program. Those who take Cal Poly courses under an approved program of career development, or who have had courses approved as work related, may be eligible for waiver of certain fees. Deadline for return of completed, approved Fee Waiver forms for the Summer Quarter 1982 is Friday, May 7, 1982. This deadline has been set to correspond with the deadline for application for admission to the University and so that forms may be processed through the Personnel Office and forwarded to the employee to meet the Employee Computer Assisted Registration deadline of May 26.

OUTSTANDING SENIOR PROJECTS AND MASTER’S THESES SOUGHT

Sigma XI, the Scientific Research Society, is accepting nominations for outstanding senior projects and outstanding master’s theses for 1981-82 school year. Please send letters of nomination to Gene Fabricius, Electronic and Electrical Engineering Department.

Food service hours during Poly Royal

Thursday, April 22
Regular hours except Vista Grande Cafeteria closed after lunch.

Friday, April 23

... Alumni drive

Donations came from across the state, across the nation, and as far away as South America. When the campaign closed last November, the bronzers (Channel Island Arts in Grover City) broke the mold as promised.

"That was one of the most difficult times in the campaign," said Steve Riddell, coordinator of Cal Poly Alumni Services. "We received 150 major donations and broke the mold on the deadline date so that the edition would be limited to 150. For months afterward, people called us wanting to know if there were any more statues available. But at that point, the only way a statue could be obtained was by buying one from an original owner.

"Some people have asked why bother with an official version of Cal Poly's mascot," Riddell continued, noting that there are numerous versions of the Mustang in use today at the university. "In a school as large and diverse as Cal Poly, we feel that this statue will provide a common thread, a rallying point."
NEW DIALING GUIDE FOR ATSS CALLS

The university has recently received a new dialing guide effective May 1, 1982, for placing ATSS calls. This dialing guide reflects an increase in ATSS rates necessitated by telephone company rate increases. ATSS is no longer the most economical method of placing long distance calls throughout California. The new dialing guide lists those towns which should no longer be dialed via ATSS. Vera Elizabeth Otto, a senior ag management major, will reign over the Poly Royal Rodeo after her selection early this month.

Miss Otto was selected for the honor following a competition judging the candidates' poise, personality and horsemanship, among other qualities. She also becomes eligible to compete for Miss College Rodeo at the contest held in June at the National Collegiate Rodeo Finals.

Poly Royal features departmental displays in each of Cal Poly's academic departments, concessions and exhibits from Cal Poly's 300-plus student organizations.

On tap for entertainment are a soap box derby, rugby match, melodrama, Santa Maria-style barbecue, water polo exhibition, art exhibits, studio band performance, University Jazz Band Performance, and a tractor pull.

Alumni Association caps successful drive

The Poly Royal unveiling of the first official version of Cal Poly's mascot, The Cal Poly Mustang, marks the end of the most ambitious campaign ever undertaken by the Cal Poly Alumni Association—and the most successful.

The Alumni Association directed the drive to raise funds to build the lifesize bronze statue sculpted by Cal Poly animal physiologist Dr. Roy M. Harris. The 1800-pound statue will be unveiled at 10 am tomorrow during the opening ceremonies of Poly Royal in War Memorial Plaza (between the University Union and the Administration Building.)

The unveiling comes almost a year from the time when the project was conceived by members of the county agricultural community. They saw the creation of a major campus art work as a fitting tribute to the university for its support of the agricultural community.

The Alumni Association, working with the Cal Poly Foundation, took the administrative reins of the project last spring. By mid-September, the association had launched a massive direct mail campaign to some 58,000 alumni, parents of students, business leaders, former customers of the artist, campus organizations—anyone with ties of any kind with the university.

To encourage donations, a bronze replica of the major statue was offered to contributors of $1000 or more. Dr. Harris, who is a well-known western sculptor, normally sells his bronzes for thousands of dollars.

The success of the fundraising campaign has enabled the Cal Poly Alumni Association to establish its special endowment fund. It will be used to enrich the association's programs for alumni and students.

In two and a half months, the Alumni Association raised more than $150,000. Donations ranged from $25 from a retired Cal Poly employee who suggested that her "small gift might help out with stamps" for the campaign to some $6000 from a local developer who made a donation for each member of his family.

A Bay-area newspaper publisher donated $1000 so that he might add the Mustang replica to his collection of some 60 bronzes from all over the world. Another prominent publishing family contributed in the name of their daughter, a student at Cal Poly.

Several international companies matched donations of their employees; one parent of a student made a donation in the name of President Ronald Reagan.

The large plaque that will be placed below the statue, in fact, reads like a "Who's Who for Cal Poly"—faculty members, former students, parents of current students, fraternal organizations, and well-known business and community leaders.

(Cont. on Page 2)
David Frye at Chumash

Comedian and political impressionist David Frye has been booked into Chumash Auditorium for tomorrow night at 8 pm as part of Poly Royal.

The popular impressionist scored a huge hit during the 1970s with his "I am the President" impressions of Nixon, but no one is really safe from his comedic scrutiny.

The public is invited, with tickets priced at $5.50 advance, and $4.50 advance for students, and a dollar higher at the door. Advance tickets are on sale at Cheap Thrills and Boo Boo Records in San Luis Obispo, and at the University Union Ticket Office.

Summer quarter fees

The mandatory student fees—Student Services, Health Facilities and Nonresident Tuition—for the 1982 Summer Quarter will remain essentially the same as they were for the 1982 Spring Quarter.

The 1981/82 Emergency Surcharge Fee was in effect for the Winter and Spring terms. However, that fee will not be in effect for 1982 Summer Quarter.

The only fees that could change for 1982 Summer Quarter are the auxiliary organization fees—Associated Students or University Union.

Classroom scheduling

Effective April 19, 1982, the University Class Scheduler will be Ms. Bernie Persall. She will have primary responsibility within Educational Services for coordination of the building and maintenance of the University Class Schedule. The Scheduling Office will remain in Administration 310 and the telephone number will continue to be Ext. 2461.

Please contact Ms. Persall directly regarding procedures for schedule submission, classroom assignments, schedule footnotes, schedule updates and reconciliation.

Ms. Persall also will be responsible for the assignment of lecture rooms for non-class purposes up to 7 pm during the academic quarter from Monday through Friday.

Requests for rooms to be used during University Hour, for student activity uses, and for lecture rooms after 7 pm and during quarter break should be directed to the Activities Planning Center, Ext. 2476.

Reservation of conference rooms should be directed to the Educational Services Office, Ext. 2157 (except requests for the hours after 5 pm, which are directed to the Activities Planning Center).

WOMEN'S CLUB MAY LUNCHEON

The annual May Luncheon for Cal Poly Women's Club will be held at Yancy's Restaurant, on Saturday, May 8, at 11:30 am. Reservations must be mailed by May 1 to Diane Levison, 1268 Drake Circle, San Luis Obispo, 93401.

Ag faculty receive $323,000 in grants

Grants totalling over $323,000 for projects ranging from study tours of irrigation practices to continued studies of the tule elk have been recently received by Cal Poly agricultural faculty members.

The largest grant is the $137,000 from the World Bank awarded to Charles Burt of the Agricultural Engineering Department faculty. The grant finances irrigation study tours for senior irrigation engineers from India, to be conducted during the summer of 1982.

The engineers from India will attend workshops on the Cal Poly campus and then visit various locations in California to observe irrigation practices.

Dr. Robert Wambach, head of Cal Poly's Natural Resources Management Department, is the recipient of a pair of grants totalling $100,000. One grant for $75,000 from the California Department of Forestry is to assess resource management training needs for the department and to evaluate the department's performance in administering the California Forest Practices Act.

The other grant to Wambach is from the California Resources Agency for $25,000 for a public land policy study. The study will include research and consultation on federal land policies and programs that have an impact on California's land and resources.

Other grant recipients are:

- Dr. Michael Hansen, Natural Resources Management Department faculty, $8,867, to continue his study of the tule elk at Fort Hunter Liggett.
- John Stechman, Animal Science Department faculty, $18,000 from the Eli Lilly Research Laboratories to study monensin efficacy and release rate in cattle grazing forage.
- Edgar Carnegie, Agricultural Engineering Department faculty, $26,335 to complete a feasibility study of shallow solar ponds for heating commercial greenhouses.
- Burt, $33,375 from the State Water Resources Control Board to begin work on his Automated Surface Irrigation Demonstration and Teaching Facility project.

NOMINATIONS SOUGHT FOR OUTSTANDING STAFF EMPLOYEE

Nominations for the 1981-82 Outstanding Staff Employee are now being accepted. Nominations must be on the proper Outstanding Staff Employee Nomination Forms, which are available in the Personnel Office. All completed forms must be returned to Joan Cirone, Chair of the Outstanding Staff Employee Award Selection Committee, Health Center. Forms should be returned as soon as possible, but no later than Friday, May 14, 1982.
Dateline

($) Admission charged.
(!) Admission free.

FRIDAY, APRIL 23
Last day to apply for June Commencement.

Poly Royal 1982: The 50th anniversary “Tapestry of a Golden Era” commences with opening ceremonies. War Memorial Plaza, 10 am. (Schedules of individual events are available at the Activities Planning Center, UU 217.)

Rodeo: Collet Arena, 7 pm. Public invited. ($) Baseball: UC Riverside. SLO Stadium, 7:30 pm. ($) Speaker: Comedian and political impressionist David Frye. Chumash Auditorium, 8 pm. Sponsored by Speakers Forum of the Program Board of the ASI. Public invited. ($) SATURDAY, APRIL 24
Baseball: UC Riverside. SLO Stadium, noon, doubleheader. ($) Flower Show: Local gardeners and amateur florists invited to enter the annual Cal Poly Flower Show. OH Unit. For information call Virginia Walter (x2897). Rodeo: Collet Arena, 1:30 pm and 6 pm. Public invited. ($) MONDAY, APRIL 26
Speaker: Congressman Pete McCloskey (R-Calif.) Chumash Auditorium, 11 am. Sponsored by Political Action Club of the ASI. Public invited. (!) Reception: Get acquainted with vice president for academic affairs candidate. Alumni House, 3:45 to 5:15 pm. (!) TUESDAY, APRIL 27
Books at High Noon: John Connely (Education) reviewing “Muddling Toward Frugality” by Warren A. Johnson. Staff Dining Room, noon. Public invited. (!)

WEDNESDAY, APRIL 28
For Summer Quarter: Class schedule available; C.A.R. materials distributed; advising begins in departments.

SUNDAY, APRIL 11
Women’s Tennis: Cal Poly Pomona. Upper courts, 10 am. (!)

THURSDAY, MAY 1
Books at High Noon: James Reed (Speech Communication) will review “See You at the Top” by Zig Ziglar. Staff Dining Room, noon. Faculty and staff invited. (!)

THURSDAY, MAY 6

Who, What, When, Where

Patrick Munroe, Graphic Communications, presented a paper on “Advanced Art Preparation” at the Tech Symposium on March 15 in Anaheim. The paper will be printed by the Screen Printing Association International, host of the conference, as part of their 1982 publication series.

Patrick C. McKim, Social Sciences, has been appointed to the Committee on Creationism by the Executive Board of the national American Anthropological Association. He will be attending committee meetings in Washington, D. C.

Jack Jones, Education, presented a paper titled, “What Do You Mean Every Teacher is a Teacher of Reading?” on March 21 at the annual conference of the Association for Supervision and Curriculum Development held at the Anaheim Convention Center.

Herschel L. Apfelberg, Graphic Communications, presented a paper titled “Food Packaging Challenges of the ’80s” at the Eleventh Western Food Industry Conference held at the University of California, Davis, March 30-31. He also was presiding chairman at the seminar titled “Developments in Packaging and Distribution,” held during the conference.

Patrick Munroe, Graphic Communications, Pierre Rademaker, Art, and Tom Dresel, Graphic Communications, took part in the Computer-Aided Graphic Arts and Visual Communications Conference March 11-12 in Los Angeles.

Position Vacancies

Vacant faculty and staff positions at California Polytechnic State University and the Cal Poly Foundation are announced in this column, and are posted outside the respective personnel offices. Contact those offices (University: Adm. 110, 805-546-2236—Foundation: University Dining Complex, 805-546-1121) for applications and additional position details. Both Cal Poly and the Foundation are subject to all laws governing affirmative action and equal employment opportunity. All interested persons are encouraged to apply.

CLOSING DATE: 5-6-82

Lecturers, salary commensurate with qualifications and experience. Foreign Languages Department, School of Communicative Arts and Humanities.

CLOSING DATE: 5-7-82

Lecturers, $6348-$7632/quarter; based on 15-unit teaching load with adjustment in accordance with actual number of units assigned. English Department, School of Communicative Arts and Humanities.

Lecturers, $1961.59-$2,132.79/quarter; based on a 6-unit teaching assignment. English Department, School of Communicative Arts and Humanities.

Assistant to Controller, $2,103-$2,536/mo. (Foundation).

CLOSING DATE: 5-14-82

Lecturers, salary commensurate with qualifications, experience and teaching load. Art Department, School of Communicative Arts and Humanities.

CLOSING DATE: 5-15-82

Lecturer, salary commensurate with qualifications and experience. Art Department, School of Communicative Arts and Humanities.

CLOSING DATE: 6-1-82

Lecturer, $6348-$7632/quarter. Chemistry Department, School of Science and Mathematics.

Cal Poly Report is published weekly during the academic year by the Public Affairs Office.

Kip Rutty (Editor) .................. Ext. 2158
Betty Holland (Graphics Tech.) .................. Ext. 2576
Cathy Burt (Dateline) .................. Ext. 2246

Typewritten, double-spaced copy must be submitted for Cal Poly Report by close of business the Thursday prior to the next publication.
