Trustee’s actions reported

The Board of Trustees of The California State University and Colleges took the following actions at its meeting Mar. 28:

- Reduced the Student Services Fee by $2 beginning with summer 1979. Fees will be $144 per academic year for students taking 6.1 or more units and $114 for those taking 6.0 or less.
- Adopted regulations governing the access of employee organizations to CSUC campuses.
- Amended Title 5 of the California Administrative Code section on Academic Probation and Disqualification Standards to eliminate reference to “progress points.”
- Amended Title 5 of the California Administrative Code section on use of campus buildings and grounds to comply with recent developments in federal constitutional law, to expand prohibited sales to include term papers, and to prohibit false and misleading advertising.
- Conferred the title “President Emeritus” on Dr. Robert E. Kennedy who served as President of California Polytechnic State University, San Luis Obispo from 1967 until his retirement in 1979.
- Amended the 1979-80 Capital Outlay Program to increase priority 32, conversion of Science III at Cal Poly from $370,000 for construction to $670,000 for working drawings and construction.

Appointment of Charles T. Andrews as head of the Accounting Department of Cal Poly has been announced by Dale W. Andrews, acting president. A member of the Cal Poly faculty since 1972 and acting head of the Accounting Department since 1976, Dr. Andrews assumed his new title immediately, according to Robert K. Coe (Dean, School of Business). Dean Coe, whose school includes the Accounting Department; Hazel J. Jones (Vice President for Academic Affairs) and a departmental committee recommended the appointment.

Dr. Andrews became acting head of the department when it was formed in a reorganization of the School of Business. Before that, accounting courses offered by the university had been provided by the Business Administration Department. A native of Charleston, Ill., Dr. Andrews is a graduate of Eastern Illinois University, Bowling Green State University, and Indiana University, where he completed his Doctor of Business Administration Degree.

Prior to his appointment to the Cal Poly faculty, the new department head spent nine years on the faculties of Creighton University, Omaha, Neb.; University of Missouri at Columbia; Indiana University; and Elmhurst College in Illinois. A certified public accountant since 1968, Dr. Andrews has been a consultant on grant administration and management training to a number of organizations, including the U.S. Civil Service Commission, the U.S. General Accounting Office, and the U.S. Department of Agriculture.

Since moving to San Luis Obispo, he has served on the City Council’s Citizens Advisory Committee, presently is chairman of the City Planning Commission, and was a candidate for mayor in elections held early last month. While at Cal Poly, he has been a member of the Academic Senate and other university-wide committees and groups involved in curriculum, accreditation, budgeting, research, and admissions.

Charles T. Andrews
Head, Accounting Department

Love is again the theme

“Love as Creative Conflict” will be the subject when Paul T. Culbertson addresses a campus audience at 11 am on Thursday, (Apr. 12). Scheduled as part of the Arts and Humanities 1978-79 program series, the program will take place in University Union 220. Admission will be free and the public is invited to attend. A professor emeritus and former dean of the college at Point Loma College in San Diego, Dr. Culbertson is a psychologist and prolific writer of religious books.

His April 12 lecture will be the second in a group of five programs on the general theme of love that is being presented during April and May as part of the 1978-79 Arts and Humanities Series. The programs are sponsored by the School of Communicative Arts and Humanities as a service to the campus community.
CSUC outstanding faculty named

California State University faculty members from Dominguez Hills and Hayward today were named 1979 Outstanding Professors by the Board of Trustees of The California State University and Colleges. The designees, announced by Board Chair Roy T. Brophy of Sacramento and Chancellor Glenn S. Dumke, are Dr. William Warren Bartley III, professor of philosophy at Hayward, and Dr. Lois Wong Chi, professor of biological science at Dominguez Hills. Although Outstanding Professor honors are based primarily on teaching excellence, Dr. Bartley is known to the outside world as a best-selling author and Dr. Chi is an international authority on parasitic disease. The awards program, which honors two faculty members annually, is sponsored throughout the 19-campus system by the Trustees. Designees are recommended to the Chancellor and Trustees by a Special Committee organized by the systemwide Academic Senate.

State Service awards - 25 Years service

Each year during Fall Conference employees with 25 years of State of California Service are recognized and awarded certificates and pins for their service. The cut-off date for determining length of service is Sep. 1. Service is cumulative, need not be consecutive and is not limited to Cal Poly but also includes any other service for the State of California. Cal Poly Auxiliary organization service cannot be credited for this recognition.

All persons who will have 25 years of total California State service as of Sep. 1, 1979 and have not received their service award should contact Robert M. Negranti, Staff Personnel Officer, in the Personnel Office, Ext. 2236, by June 1 so their recognition will be assured. In addition, if you are aware of an individual who might be eligible for this 25 Year Service Award please contact Negranti.

26th annual seminar of the Intercollegiate Musical Council

A gathering of men's choruses from throughout the United States at Cal Poly on Thursday, Friday, and Saturday (Apr. 19-21) will provide those who enjoy vocal music with several unusual concert opportunities. The 26th annual seminar of the Intercollegiate Musical Council, which will also include demonstrations, panel discussions, and repertoire sessions, is being hosted by the Cal Poly Glee Clubs and the Music Department.

Among the featured events during the seminar will be a major evening performance by Cal Poly's Men's and Women's Glee Clubs at Mission San Luis Obispo de Tolosa in San Luis Obispo at 8 pm on Friday (Apr. 20). The glee clubs, assisted by Major Allen Crowell, director of the United States Army Chorus; Leonard Johnson, conductor of the University of Michigan Glee Club; and members of the Cal Poly Symphonic Band, will sing music of Bohuslav Martinu, Randall Thompson, and Daniel Pinkham.

On Saturday (Apr. 21) Chumash Auditorium will be filled with the sounds of the nine visiting men's choruses in the Men in Song Concert that traditionally concludes the IMC seminar. Participating will be student choruses from California Institute of Technology; California State University, Fullerton; California State University, Long Beach; California State University, Los Angeles; Loyola-Marymount University; Savannah (Ga.) State College; University of California, Santa Barbara; University of Southern California, and Cal Poly. Featured during the concert will be Fenno Heath, conductor of the Yale University Glee Club, who will conduct a combined ensemble in the premier performance of his new composition, "Fern Hill;" Louis Magor, conductor of the San Francisco Symphony Chorus, who will conduct the combined choruses in Schubert's "Nachtgesang im Walde;" and Carl Zytowski of UC Santa Barbara, who will be soloist for the ensemble's rendition of the new Heath work.

Also planned during the three-day gathering at Cal Poly are day-time concerts featuring the Schubertians of UC Santa Barbara and the Savannah State College Men's Glee Club. The UCSB ensemble will perform at 3 pm on Friday (Apr. 20) and the Savannah State chorus will sing at 1:30 pm on Saturday, (Apr. 21) both in the Cal Poly Theatre.

Separate sessions for directors and student leaders of choruses are scheduled throughout the seminar on such topics as new repertoire, vocal development organizational philosophy, and the future of men's choruses. They will be held at several different campus locations. Registration for the conference is $30, including attendance at all concerts and sessions and five meals. The public is invited to all of the seminar sessions, as well as the concerts.

General admission tickets for the Friday and Saturday evening performances are priced at $2 for adults and $1 for students. They are being sold at the University Union ticket desk on campus. Admission to the two afternoon concerts will be free.

Modifications to parking lot C-1

People entering the campus from California Boulevard and Campus Way should be particularly watchful for barricades and traffic redirection during the time construction is underway. When construction is completed in about three weeks, the C-1 parking area will be increased by an additional 40 to 50 spaces.

Easter special

Everette Dorrough (Foundation Food Service Director) would like to announce the following Easter Specials: Hot Cross Buns in the Staff Dining Room Friday (Apr. 13) from 7 am to 4 pm; $.20 each or $2.20 dozen. Watch for "Just Because It's Spring" Pastry Special Starting Friday (Apr. 20) in the Staff Dining Room.

Cal Poly Report - April 12, 1979
1978-79 Outstanding Staff Employee Award

The Staff Senate Personnel Committee would appreciate assistance in seeking outstanding employees of Cal Poly. Please note the Nomination Form, attached to the back of this Cal Poly Report, for the 1978-79 Outstanding Staff Employee Award. Nominations may be made by any Cal Poly employee.

A staff nominee should fulfill the following criteria: 1. Each nominee must be a permanent, full-time employee during the year of nomination (September to September) and be in at least the third year of employment. 2. Any staff employee of the State, Foundation or ASI is eligible. 3. A staff nominee should be a truly dedicated and loyal employee. 4. He/she should exhibit expertise in job performance and a willingness to assist others enthusiastically. 5. The candidate should be university and community oriented.

The nomination forms should be sent to Cathi Atherton, Personnel Committee Chairwoman in the Management Department. The deadline for receipt of the Nomination Forms is Apr. 27. The Personnel Committee members will interview the nominator, the nominee’s supervisor and co-workers to seek information on the candidate’s qualifications. The committee members then report back to the Personnel Committee on the results found in each interview. The Personnel Committee and the previous two year’s Outstanding Staff Employee then screen the applications, and narrow the applications down. The awards will be limited to three recipients. The Outstanding Staff Employees will be announced at the Fall 1979 Staff Conference.

Easter lilies for sale

Easter lilies are for sale at the Poly Plant shop at the O.H. unit. Prices are from 3.00 to 10.00 dollars, from Monday (Apr. 9) to Saturday (Apr. 14). Hours are 1 - 5 pm.

Food service hours

Friday (Apr. 13)
All Areas will be open on normal schedule.

Saturday (Apr. 14)
The following are open: University Dining Room - Breakfast 10 am - 12 noon, Lunch 12 noon - 3 pm, Dinner 4 pm - 7 pm; Burger Bar - 10 am - 1 am; Vista Grande Restaurant - 11 am - 8 pm; Vending Cellar - 8:30 am - 9:30 pm.

Sunday (Apr. 15)
The following will be open: University Dining Room - Breakfast 10 am - 12 noon, Lunch 12 noon - 3 pm, Dinner 4 pm - 7 pm; Vista Grande Restaurant - 11 am - 8 pm; Vending Cellar - 10:30 am - 11:30 pm.

Monday (Apr. 16)
Resume regular Food Service schedule.
STAFF VACANCIES

Vacant support staff positions have been announced by Robert M. Negranti, Staff Personnel Officer. Descriptions of the positions and other vacancies are posted outside the Personnel Office, Adm. 110, Ext. 2236. Contact the Personnel Office to obtain an application. The University is subject to all laws governing Affirmative Action and equal employment opportunity including but not limited to Executive Order 11246 and Title IX of the Education Amendments Act and the Rehabilitation Act of 1973. All qualified persons are encouraged to apply.

Duties and responsibilities include working with student records in University Records Office, assisting with registration, preparation of grades, etc. Working in the University Admissions Office, processing applications for admission of students. Equivalent to one year clerical experience; type 45 wpm and must have taken the General Clerical Test. Closing date: 4-26-79.

Software Support Technician (Senior Data Control Technician), $961-$1,152/month, Computer Center. Administrative and business programming applications. Duties and responsibilities include documentation, software inventory, disk libraries and shop standards. IBM-360 JCL programming; file creation and backup. Knowledge of COBOL, data security and quality control preferred. Requirements: Equivalent to 3 years related work experience. Technical writing skills. Closing date: 4-26-79.

OFF-CAMPUS VACANCIES

College of the Sequoias, Dean, Special Student Services. Deadline: May 1, 1979.
California State University, Hayward, Associate Vice President for Academic Affairs. Deadline: May 1, 1979.
California State University, Fullerton, Associate Dean, School of Business Administration and Economics. Deadline: April 4, 1979.

FACULTY VACANCIES

Candidates for positions on the faculty of the University are presently being sought, according to Donald L. Shelton (Director of Personnel Relations). Those interested in learning more about the positions are invited to contact the appropriate dean or department head. This University is subject to all laws governing Affirmative Action and equal employment opportunity including but not limited to Executive Order 11246 and Title IX of the Education Amendments Act and the Rehabilitation Act of 1973. All qualified persons are encouraged to apply.

Lecturer, $4,752-$5,712/quarter, depending upon qualifications, Animal Science Department, School of Agriculture and Natural Resources. B.S. with previous teaching experience required. Must be a knowledgeable horse trainer and capable farrier. Added professional horse management experience desired. Teach courses in Elements of Horse Management and Specialized Horse Enterprises (beginning colt breaking and training course). Closing date: 5-1-79.

Lecturer, $4,752-$5,712/quarter, Crop Science Department, School of Agriculture and Natural Resources. Full-time position for the Summer Quarter, 1979. Duties include teaching field crop courses, mainly lower division. Master's degree in Crop Science, Agronomy or Horticulture or a bachelor's degree with appropriate experience in the field is essential. Closing date: 4-30-79.

WHO...WHAT...WHEN...WHERE??

Allen Miller, Mathematics, has agreed to serve as liaison officer for the Danforth Foundation Graduate Fellowships competition for the years 1979-80. The Danforth Associate Program is an activity of the Danforth Foundation designed to recognize and encourage effective teaching and to humanize teaching and learning for members of the campus community.

Donald R. Kummer, Business Administration, recently presented a paper titled, "An Interactive Simulator For Financial Planning" at the 1979 Conference on Financial Education held at San Jose State University, March 30.

James A. D'Albro, Ornamental Horticulture, attended the Roses, Inc., Region 4 Conference in Santa Cruz on March 28. The meeting focused on competition with rose imports, new sources of energy for greenhouse heating and increasing productivity and labor efficiency in floriculture.

Carolyn B. Shank, Physical Education, spoke on "The Ordeal of Fun" during two morning sessions for "Discovery 79" Women's Day at Cuesta College, Mar. 31.

Scott P. Plotkin, former ASI President and Legislative Advocate for the CSUC Student Presidents Association, currently Assistant to the Director for Governmental Affairs for the CSUC, has recently been elected Chair of the Sacramento County Democratic Central Committee. Plotkin is believed to be the youngest county chair or equivalent Democratic Party official in California.

Lachlan P. MacDonald, Director, Public Affairs, has had his book publishing courses, Book Publishing I and Book Publishing II, listed in Guide to Book Publishing Courses: Academic and Professional Programs. The two courses, taught by Mr. MacDonald at Cal Poly and University of California, Irvine, and offered by Cal Poly Extended Education through the Graphic Communication Department, are the only CSUC courses included in the national directory.

For consideration of an OUTSTANDING STAFF EMPLOYEE AWARD, a staff nominee should be a truly dedicated and loyal employee – one exhibiting expertise in job performance and willingness to assist other enthusiastically, he or she should take initiative in trying to make a department more efficient and productive. The candidate's relationship with fellow employees, faculty members, and students should be outstanding. He or she should be University and community oriented.

Nominees must be permanent, full-time employees during the year of nomination (September to September) and be in at least the third year of employment. Former recipients of the award are not eligible.

Nominations may be made by any Cal Poly employee.

I nominate for the 1978-79 OUTSTANDING STAFF EMPLOYEE AWARD:

Nominee

I feel the above named person is deserving of this award for the following reason(s). (Use back of page if desired.)

Signature (Nominator)

Printed or typed name (Nominator)

NSF - UNDERGRADUATE RESEARCH PROJECTS. A total of 1,012 of the nation's most talented college students will work directly with faculty members and industrial scientists in scientific research under grants awarded by NSF. The URP program is designed to provide students with firsthand experience in the research process. In addition, URP projects expand the students' knowledge and help them develop the degree of creativity essential to scientific inquiry.

The research participation projects cover all fields of science, including mathematics and engineering. Student participants are full-time undergraduate students, usually between their junior and senior years, who have demonstrated career potential while completing a substantial portion of their college science and technology programs. Students may receive stipends of up to $1,000 for participation in the 10-12 week summer projects.

All projects encourage applications from ethnic minorities and women. Included in the awards are six projects at traditionally black institutions and five at women's colleges. A list of awards by state and institution is available in the Research Development Office.

***

DEPARTMENT OF AGRICULTURE - NUTRITION EDUCATION DEMONSTRATION AND DEVELOPMENT. Grants are awarded to state educational agencies administering child nutrition programs. The grants will support experimental or demonstration nutrition education projects which realistically address the nutritional needs of specific populations. Such populations may include but are not limited to handicapped children, pre-school children, adolescents, and ethnic groups. State agencies must apply for funds by JUNE 15, 1979. Approximately $420,000 has been set aside for state grants. To obtain further information about the state program, contact Mrs. L. Gene White, Chief, Bureau of Child Nutrition Services, State Department of Education, 721 Capitol Mall, Sacramento, CA, 95814, (916) 445-4338 or ATSS 485-4338.

Universities and other groups may participate in the program through contracts and cooperative agreements which will be solicited through Requests for Proposals. Announcements of contractual actions will be published in Commerce Business Daily. Prospective bidders wishing to submit proposals may request to be put on the bidders list by contacting: Contracting Officer, Administrative Services Division, Food and Nutrition Service, Room 790, U.S. Department of Agriculture, Washington, D.C., 20250, (202) 447-8179.

CAL COUNCIL FOR THE HUMANITIES IN PUBLIC POLICY - RESIDENCY IN CORPORATION. The Coro Foundation, a private, nonprofit educational institution which conducts research and education in the field of public affairs, invites persons with a graduate degree in the humanities to apply for a residency program designed to bring together the business world and the disciplines of the humanities.

Supported by a grant from the CCHPP, the successful candidate will be assigned to the Public Affairs Department of the Atlantic Richfield Corporation in Los Angeles for six months beginning June 25, to focus on the corporation's interface with its communities as citizen, business enterprise, and consumer of public services.

Preferences will be given to holders of the Ph.D. degree in the core disciplines of the humanities, namely history, philosophy, literature and languages. Demonstrated skill in writing and ability to relate to the business community are also sought.
CALCOUNCIL FOR THE HUMANITIES IN PUBLIC POLICY - RESIDENCY IN CORPORATION (continued). Candidates should have carried out some research in an area relevant to the project. Application forms must be returned to the Coro office by May 1. To obtain these forms, interested persons should write or telephone: Coro Foundation, 610 South Olive Street, 6th Floor, Los Angeles, CA, 90014, (213) 623-1234.

**

USOE - VOCATIONAL AGRICULTURE/AGRIBUSINESS PROGRAMS IN URBAN SCHOOLS. The U.S. Office of Education has set a MAY 18 due date for RFP-79-22, to develop a program designed to assist agriculture education leaders in implementing improved agriculture/agribusiness programs in urban schools. The program will attempt to create an awareness of requirements and procedures for making agriculture/agribusiness programs available for high school students and out-of-school youth in urban areas.

**

DEPARTMENT OF TRANSPORTATION - FACULTY FELLOWSHIPS IN TRANSPORTATION RESEARCH. DOT supports faculty fellowships at the Transportation Systems Center in Cambridge, Massachusetts, 02142. They offer faculty members an active research environment and working experience in the development and evaluation of solutions to specific urban, rural, intercity, and international transportation problems.

Applicants should consult the Fellowship brochure before applying. Further information may be obtained from: Coordinator, Faculty Fellowship Program, U.S. Department of Transportation, Research and Special Programs Administration, Transportation Systems Center, Kendall Square, Cambridge, Massachusetts, 02142, (617) 494-2718.

**

NSF - TRAVEL GRANT PROGRAM. The National Science Foundation makes international travel awards to enable U.S. scientists to participate in international scientific meetings held abroad for the purposes of (1) obtaining and exchanging science information and (2) professional development. Neither travel to Canada nor travel to any U.S. Trust Territory or possession (including Puerto Rico) will be supported under this program.

Two types of travel awards are made in this program--group travel awards and individual travel awards. Group awards are in the form of grants to institutions; the amount of travel support will not exceed the cost of jet-economy air travel. Professional societies and non-profit organizations, including universities, that wish to coordinate U.S. participation in international meetings held abroad may apply for travel grants to cover the cost of a group of U.S. scientists participating in a single scientific meeting or more than one group of travelers to participate in various selected meetings. Information and guidelines for this application are available in the Research Development Office.

**

NATIONAL SCIENCE FOUNDATION - ABSTRACTS OF PROJECTS OF SCIENCE EDUCATION DEVELOPMENT AND RESEARCH. A new publication, ABSTRACTS OF CURRENT PROJECTS, FEB. 1979, of NSF's Division of Science Education Development and Research (SEDR) is available for review in the Research Development Office. This collection of abstracts describes currently active grants in SEDR in the following programs: Development in Science Education, Two-Year College Assessment, Continuing Education for Scientists and Engineers, Research in Science Education, and the NIE-NSF Collaborative Program on Research on Cognitive Processes and the Structure of Knowledge in Science and Mathematics.

* Guidelines and/or applications available in the Research Development Office. Admin 314.

** Information requested and should be available soon.

*** Contact agency directly.
