Too Few Females Lament Many Men; Barefoot On Campus In Fist Fade-out

By Don Greenlaw

‘There’s not enough of ‘em’! That’s the general consensus of the male portion of the student body on the “BIG CHANGE” at Poly. Males were shocked and disappointed to learn that less than 200 are full-time students. When you subtract a sizeable number of women students who are non-majors, the number of males who are majoring in fields where there is sufficient female enrollment to make any significant difference is even less.

The change-over has been effected very smoothly without any major hassle. The males have taken the change-over without too much argument as they have not been the ones in the majority, and are now finding that the campus is not as overcrowded as it used to be. The change-over has been a definite improvement in the ratio of females to males on campus.

The change-over took place on October 2, when the first group of female students enrolled at Poly. The majority of these students were enrolled in the College of Engineering, with only a small number in the College of Liberal Arts and Sciences. The first group of female students included 154 coeds, while the number of male students was 50. Of the total, 2152 old students and 50 graduates. Of the total, 100 are at dateline but they’ll be published in El Mustang when available.

No breakdown on the department or divisions was available at dateline but they’ll be published in El Mustang when available.

IF I HAD A MILLION!
Lido, he cried, "Is so unfair.
I should have been a millionaire!
I'd drive a car, a white Jaguar
with leopard skin and built-in bar.
Complete with blonde and red heads too.
A movie queen or two would do . . .
I'm lazy, easy, debonaire
I'll make a perfect millionaire!"

"Instead," he sobbed, "at twenty-five
I'll have to work to stay alive!"

"Well, if you are $00.00 about of being
a millionaire, but you like your pleasures big.
Enjoy the big full flavor, the big satisfaction
of a Chesterfield. Packed more smoothly by
Andrew, it's the smoothest tasting smoke today.
So try 'em, smoke for real... smoke Chesterfield!

Mustangs Win First Two

"Gators Skinned"

Playing before an overflow home-town crowd, the Cal Poly Mustangs successfully opened their 1956 grid wars with a comparatively easy 30-0 triumph over the San Francisco State "Gators" Friday night, September 28.

Coach Roy Hill's "Silver Fox" opening kickoff charges took control of the contest quite early in the first half, leading to the Mustangs' first points six minutes after the opening whistle. Fullback Walt Ornery and halfback Jim Delgado contributed 20 yards in three first-half possessions. Junior halfback Jack Sears, and Bob Beathard led the Mustangs' 10-team schedule for action.

The Mustangs' efforts in the first quarter were nullified by the AAM defense, which saw the Mustangs' scoring threats of a total of 18 yards. The Mustangs were able to put the game in a state of suspension, and the Mustangs' first scoring attempt of the evening was nullified by a penalty. Coach Anderson opened the game on his own territory, and the Mustangs' initial 40-yard drive was marked by a penalty on quarterback Jerry Duncan, with the Mustangs' second scoring attempt also nullified by a penalty on defender Antoine with 26 yards in three attempts.

At the 3:45 mark of the second half, featuring the aerial attack which saw the Mustangs' efforts, they won 10 points. After the Mustangs' second touchdown, the Mustangs' efforts were nullified by a penalty, but the Mustangs were able to set the AAM defense back, and the Mustangs' third scoring attempt of the evening was nullified by a penalty on defender Antoine with 26 yards in three attempts.
