New Idea!
Alum Group in Capitol

An affiliate chapter of the Cal Poly Alumni Association has been formed in Sacramento. Election of officers for the new organization, to be referred to as the Capitol Club, took place at a recent kickoff dinner. Elected as officers of the new chapter were Bob Mazzuca, president; Scott Plotkin, vice president; and Gilbert Labrie, secretary/treasurer.

Mazzuca, a 1970 history graduate, is the exploring director for the Golden Empire Council of the Boy Scouts of America. A former president of Cal Poly's ASI, and a city and regional planning major, Scott Plotkin works as a legislative advocate for the California State University and Colleges Student Presidents Association. Labrie, a 1965 architectural engineering graduate, is a legislative analyst for the State of California.

The Capitol Club was organized, according to association President John Lucin of Saratoga, to "promote Cal Poly in the Sacramento Valley area, identify former students, and serve as a vehicle for alumni to support their university." Those interested in joining the Capitol Club or in obtaining information about its activities may write Robert Mazzuca, P.O. Box 4946, Sacramento, 95825, or telephone him at (916) 481-4111.

Long Beach Band to Perform

An evening of varied band music will be performed by the Symphonic Band from California State University, Long Beach, on May Day at Cal Poly. The concert will be presented on Saturday (May 1) in Chumash Auditorium. Admission to the 8 pm performance will be $1. Tickets are being sold in advance by members of the Cal Poly Symphonic Band, which is sponsoring the concert.

The Cal State Long Beach Symphonic Band performs under the directional baton of Gordon G. Norman. A graduate of the University of North Dakota and Azusa Pacific College, Norman has been involved in the Geneva and Lucerne Youth Musicals and presently is the United States coordinator for the Fete de Geneve.

Guest conductor for the performance at Cal Poly will be Marvin W. Branson. Branson is staff arranger and director of the concert and basketball bands at Cal State Long Beach. The band will select music for the Cal Poly concert from a lengthy repertoire, including music by Vivaldi, Leonard Bernstein, John Philip Sousa, and J. S. Bach.
FOOD SERVICE HOURS FOR EASTER

Everette S. Dorrough (Foundation Food Service Director) announces the following food service hours of operation that will be in force during the Easter Weekend:

Friday (Apr. 16):
- Vista Grande Restaurant: 11 am to 9 pm
- Vista Grande Cafeteria: 7 am to 9 pm
  11 am to 1 pm (Closes after 1 pm)
- Student Dining Hall: 6:30 am to 9:30 am
  10:30 am to 1:30 pm
  4:30 pm to 7:00 pm
- Snack Bar: 7 am to 4 pm
- Sandwich Plant: 6 am to 1:30 pm
- Staff Room: 7 am to 4 pm
- Burger Bar: 10 am to 5 pm
- Ice Cream Shoppe: 11 am to 5 pm

Saturday (Apr. 17):
- Vista Grande Restaurant: 11 am to 9 pm
- Student Dining Hall: 9:30 am to 11:30 am
  11:30 am to 1:30 pm
  4:30 pm to 7:00 pm
- Snack Bar: Closed
- Burger Bar: Closed

Sunday (Apr. 18):
- Vista Grande Restaurant: 11 am to 9 pm
- Student Dining Hall: 9:30 am to 11:30 am
  11:30 am to 1:30 pm
  4:30 pm to 7:00 pm
- Snack Bar: Closed
- Burger Bar: Closed

Monday April 19
Resume regular food service schedule.

CENSUS DATA BASE SEMINAR

A seminar on the Census Data Base will be conducted at Cal Poly on Monday and Tuesday (Apr. 19 - 20) in Graphics Arts 101. The tentative schedule is:

- Monday 9 am to 11 am: Background, history, and materials.
  1 pm to 5 pm: Sample problems on aggregate data using the program MOD2.
- Tuesday 9 am to 12 noon: Sample problem on isolated data using the program MOD3.
  1 pm to 5 pm: Interfacing to the SPSS program.

Those interested in attending should contact Luther Bertrando or Lila Young at the Computer Center, Ext. 2005.

Typewritten copy intended for the next issue of Cal Poly Report must be received prior to 12 noon on Tuesday (Apr. 20) in the Public Affairs Office, Adm. 210. Copy intended for Cal Poly Dateline is due in the Public Affairs Office by 12 noon on Wednesday (Apr. 21).
FACULTY REMINDER - THIRD WEEK CLASS LISTS

Hazel J. Jones (Vice President for Academic Affairs) reminds all faculty that corrected class lists are due by 5 pm on Monday (Apr. 19). Procedures this quarter will be the same as in previous quarters. Faculty should submit class lists directly to department offices; department heads should then see that the corrected class lists are delivered to the Records Office by 10 am Tuesday (Apr. 20). If earlier submissions can be made, the Records Office can start processing immediately.

Accuracy of the class lists is critical since maintenance of the master student file, correct billing for fees, and reconciliation of student fees are all dependent on accurate input from class lists. Faculty should submit all class lists, including those on which no changes are required, and:

1. Line out names of students who have dropped, leaving the student identification numbers in readable form.
2. Add the names and student identification numbers of students who are attending class but are not listed on the printout.
3. Check for accuracy in instructor's name, class location, and time.
4. Sign and date each class list.
5. Submit the original and one copy of each class list to the department office on or before 5 pm Monday (Apr. 19).

POLY ROYAL CLASS GUIDELINES

Hazel J. Jones (Vice President for Academic Affairs) reminds all faculty members of guidelines relative to Poly Royal which have been in effect for a number of years. They provide that classes scheduled during Poly Royal period from 12 noon, Thursday (Apr. 22) through Saturday (Apr. 24) will not meet as scheduled. Although classes will not be held, all students and staff are expected to participate fully in preparation of and participation in the Poly Royal exhibits and events. These days are not academic holidays.

LIFE INSURANCE OPEN ENROLLMENT ANNOUNCED

An open enrollment period (Apr. 1 through Apr. 30) has been announced for the term life insurance program sponsored by the California State University and Colleges system and underwritten by Northwestern National Life Insurance Company. This term life insurance plan offers a constant insurance amount with a premium increase at each three (3) year interval based on the insured's attained age; does not require enrollment in any other plan; does not require membership in employee membership organizations; and is available through payroll deduction.

During the designated open enrollment period all eligible California State University and Colleges employees under 60½ years will be able to obtain life insurance coverage without a medical examination or other evidence of insurability. Materials concerning this plan are currently being distributed to all university employees. Any questions concerning this plan should be directed to the Personnel Office at Ext. 2236.

EASTER LILIES AVAILABLE

Again this year the Ornamental Horticulture Department is selling Easter Lilies. They are available Friday and Saturday (Apr. 16-17) at either the OH Flower Shop or the Campus Produce Store for $4.50. Interested persons may also phone in orders to the OH Flower Shop, at Ext. 1106 and they will deliver to offices.
EASTER DINNER AT VISTA GRANDE

Everette Dorrough (Foundation Food Services Director) has announced a special Easter Day dinner at Vista Grande Restaurant on Sunday Evening (Apr. 18) between the hours of 1 pm and 9 pm. The menu will include a choice of the following: soup or salad, baked honey glazed ham, or roast choice top round of beef with natural gravy, Idaho baked potato with sour cream and chives or candied yams, savory green beans, freshly baked sesame seed rolls with butter, apple or cherry tart, and coffee or tea. Price for the special Easter dinner will be $4.50 per person. A child's plate will be available for $2.75.

NEW ZEALAND AGRICULTURE PROGRAM EXPLAINED

Michael D. Work (Coordinator, International Programs) has announced that the international Programs Office of The California State Universities and Colleges will present two slide-and-talk programs on Thursday (Apr. 15) on the New Zealand agriculture study abroad program. Faculty and students are invited to attend either the 9:30 am to 11 am or 1 pm to 3 pm showing in University Union 219.

STAFF SENATOR NOMINATIONS SOUGHT

The Staff Senate Elections Committee is currently accepting nominations for staff senators for the 1976-77 year. Vacancies to be filled exist in the following service areas: Administration, Business Affairs, Student Affairs, School of Agriculture and Natural Resources, School of Human Development and Education, and Auxiliary Services (ASI and Foundation). Nominees must be staff members who are employed more than half-time in the appropriate service area and must have worked at the university for a full year. Names of nominees should be submitted to the Elections Committee, in care of Nancy Muir in Adm. 211 (Ext. 2511) by Tuesday (Apr. 20).

UNIVERSITY UNION EASTER CLOSURE

Dennis Ruthenbeck (Building Manager, University Union) announces that the University Union and all facilities within will be closed Easter weekend. The building will close at 5 pm on Friday (Apr. 16) and reopen at 8 am on Monday (Apr. 19).

ANY THETA CHIS OUT THERE?

Theta Chi Fraternity is looking for a faculty member who is a Theta Chi Alumnus to serve as advisor. If interested, please call Tom Johansing at 543-9784.

BICENTENNIAL TIME-LINE

Congress opens all ports of the colonies to any countries not subject to George III. Importing slaves is now prohibited. General Washington arrives in New York from Cambridge with the main element of his army.
WHO...WHAT...WHEN...WHERE???

Michael J. Morrissey (Natural Resources Management) was a panelist at a recent symposium on vandalism and outdoor recreation. The symposium was held at U.C. Santa Barbara by the U.S. Forest Service and The American Forestry Association. Morrissey was one of five panelists presenting papers on designers and their effect on vandalism.

Jack E. Girolo (Mathematics) attended a Topology Conference at Auburn University in Auburn, Alabama on Mar. 18-20. He presented a paper titled "Degree Theory for Almost Continuous Functions."

Gary M. Epstein (Mathematics) attended a National Science Foundation Short Course for College Teachers on "Math Modeling" at Stanford University on Mar. 25-26.

Helen F. Kelley (Journalism) attended the 23rd Western States Convention and Professional Photography Exposition '76, held Apr. 3-4 in Anaheim. Kelley, a member of the Education, Legislation and Certification Committee of the Professional Photographers of California, serves as the university level representative on the committee.

Herbert A. DeKleine and Euel W. Kennedy (Mathematics) attended the Southern California Sectional meeting of the Mathematical Association of America at San Diego State University on Saturday, Mar. 13, 1976.

Irving P. Babow (Social Sciences) presented a paper on "Women and the World of Work in Television Daytime Serials" at the session of Women and the Media at the conference of the American Association for Public Opinion Research, Pacific Chapter, in Asilomar on Mar. 19.

Odile M. Clause, Anita W. DiNapoli, Claudio Y. Silva (Foreign Languages) and Verlan H. Stahl (Head, Foreign Languages) attended the Fourth Annual Language Fair at Bakersfield State College to judge various events in Spanish, French and German. The Fair took place on Apr. 3.

Gordon A. Curzon (English) has resigned as Editor-in-Chief of the California State Poetry Quarterly and has accepted an appointment as Regional Editor of the new publication: CO - A Quarterly Journal of California Poetry and Art.

Eduardo A. Apodaca, Marcus Gold, Ron G. Granvold, John A. Heinz, Norman E. Johnson, and Edgar E. Watson (all of Audio-Visual); Clyde H. Hostetter (Director of Communications Media); and J. Barron Wiley (Education) attended the national convention of the Association for Educational Communications and Technology in Anaheim, Mar. 28 through Apr. 1. During the convention, Dr. Wiley presented his multi-media production of the Cal Poly Symphonic Band's trip to Vienna.

Stuart Goldenberg and Martin T. Lang (Mathematics) attended the annual Spring Conference of the California Educational Computer Consortium, Apr. 8 and 9 in San Diego. Dr. Goldenberg presented a talk titled, "Ways You Can Make Products from Computer Graphics that Will Aid You In Teaching Mathematics."

(continued on page 6)
Arthur C.W. Bethel (Philosophy) read a paper on the morality of war to the Philosophy Club at Westmont College, Santa Barbara on Mar. 30.

Judy D. Saltzman (Philosophy) participated in the annual Regional Conference on College Teaching held at USC Idyllwild, Mar. 12-14. Attendance at the conference is by invitation of The Society For The Study Of Values In Higher Education, a subsidiary of the Danforth Foundation.

Kendrick W. Walker (Philosophy) attended the Western Region American Philosophical Association convention on Mar. 25-27 which was held in Berkeley.

Wallace F. Glidden (Head, Veterinary Science Department) received acknowledgment from the California Veterinary Medical Association that he has earned charter member status in the newly formed California Academy of Veterinary Medicine. The Academy represents a specialized segment of the CVMA to develop post-doctoral continuing education programs throughout California and to coordinate such programs with other state and national associations representing the health sciences. Requirements for charter membership included formal post-doctoral training during the period of 1973 through 1975. Membership, thereafter, is based upon earned annual credits. Dr. Glidden's major study area encompassed public service and food animal medicine.

Habib Sheik and Gloria Jameson (English) attended the annual conference of California Teachers of English to Speakers of Other Languages held in Sacramento on Apr. 2-4.

David J. Schaffner (Agricultural Management) has been appointed an alternate public member of the Cereal Grain Research Advisory Board by the California Department of Food and Agriculture Director, L. T. Wallace.

Bianca M. Rosenthal (Foreign Language) has been notified that her interpretation of a story by the contemporary German Writer Heinrich Boell will be a presentation discussion at the Modern Language Association Convention in New York. Boell was the 1972 Nobel Prize winner in literature.

Ronald F. Brown (Physics) is author of an article entitled, "Energy of Driving." It has been accepted for publication in Road and Track Magazine, and will appear in the July, 1976 issue. In the article Dr. Brown discusses factors relating to energy consumption of automobiles, such as accelerations, wind and rolling frictions, climbing hills, etc.

Robert J. Rodin (Biological Sciences, retired) has sent the following note to faculty and staff: "I wish to thank all those who had a part in my retirement reception and for the very attractive book of beautiful color pictures of California as a gift from the faculty and staff. I also wish to thank those who contributed to the fund to help me complete the manuscript for my book on "The Ethnobotany of Ovamboland, South West Africa", which is nearing completion and is being considered for publication by Stanford University Press. I regret that my health was such that it was necessary to take a disability retirement, but I am thankful for my many friends at Cal Poly."

Joseph B. Romney (History) presented a talk, "Local History and Oral History Taping," on Apr. 7, for Solo Flight, a local organization devoted to encouraging local cultural activities.

(continued on page 7)
FACULTY VACANCIES... (continued from page 8)

Lecturer ($1698-$2064/quarter), Art Department, School of Communicative Arts & Humanities. Part-time position and for Summer Quarter only. Applicants must have a MFA degree with specialization in Ceramics and teaching experience. Specifically, candidate will be teaching an introduction to materials and processes involved in design, slab, coil, wheel forming and glazing course. Position is 6 units. Applications must be received by May 3, 1976.

Lecturer ($849-$1032/quarter), Art Department, School of Communicative Arts & Humanities. Part-time position and for Summer Quarter only. Applicants must have a MFA degree with specialization in Glassblowing and teaching experience. Duties & responsibilities include the teaching of offhand glassblowing, leading toward individual creative statement, design, history, forming processes and development of tools and equipment. Position is for 3 units. Applications must be received by May 3, 1976.

Lecturer ($849-$1032/quarter), Art Department, School of Communicative Arts & Humanities. Part-time position and for Summer Quarter only. Applicants must have M.A. in Education and teaching experience is required. Duties & responsibilities include teaching art curriculum in elementary and secondary schools. Position is 3 units. Applications must be received by May 3, 1976.

Lecturer ($2546-$3096/quarter), Art Department, School of Communicative Arts & Humanities. Part-time position and for Summer Quarter only. Applicant must have a MFA degree with an emphasis in Native-American Art History and experience in teaching further understanding of painting, sculpture, and graphic arts as a survey lecture course. Position is 6 units. Applications must be received by May 3, 1976.

Assistant Professor ($12,732-$15,480/year), Economics Department, School of Business & Social Sciences. Doctorate essential with specialization in one or more of the following areas: Industrial Organization; International Trade; Money and Banking; Urban Economics. Duties & responsibilities will include an instructional load of 12 hours per week per quarter. Teaching assignment will include courses at the principles level in addition to courses in the area(s) of specialization. Position available beginning Fall Quarter, 1976. Applications must be received by May 20, 1976.

Lecturer ($12,732-$17,916/year, dependent upon training and teaching experience), Economics Department, School of Business & Social Sciences. Full-time position for 1976-77 academic year. Doctorate essential with specialization in one or more of the following areas: Industrial Organization; International Trade; Money and Banking; Urban Economics. Duties & responsibilities include an instructional load of 12 hours per week per quarter. Teaching assignment will include courses at the principles level in addition to courses in the area(s) of specialization. Position available Fall Quarter, 1976. Applications must be received by May 20, 1976.

Lecturer ($4244-$5160/quarter, depending upon education and experience), Graphic Communications Department, School of Communicative Arts & Humanities. Responsibilities include full teaching load of beginning technology courses primarily in the offset areas and with the possibility of management and/or design courses. Candidate must have a Bachelor's degree (Master's preferred) and must have had industry experience. Position available June 21, 1976. Applications must be received by April 30, 1976.

Assistant Instructors ($845-$931/quarter, depending upon experience and assignment), Biological Sciences Department, School of Science & Mathematics. Two part-time positions available which will involve teaching laboratories in Zoo 131 (General Zoology) and Bact 221 (General Bacteriology). Applicants must possess B.S. in biology or a related discipline. Applicants with concurrent enrollment in the department's graduate program will be given preference. Applications will be accepted through May 14, 1976. Positions available for Summer Quarter, 1976 only. Application forms available in Science North 219.

(continued on page 10)
FACULTY VACANCIES... (continued from page 9)

Test Officer (Student Affairs Officer III-IV), ($1228-$1905/month), Counseling Center, Student Affairs Division. Duties & responsibilities are to develop, direct and coordinate a comprehensive testing program for the university; to consult on testing techniques and recent developments in the field; to supervise the administration and interpretation of tests; to supervise test clerk and other necessary clerical staff. Requirements: earned doctorate in education or psychology with extensive training in testing and statistics; comprehensive experience in test development, analysis and interpretation; computer skills are needed; four years experience in test construction analysis and interpretation required. Closing date: May 14, 1976.

Lecturers ($12,732-$20,736/year depending upon qualifications), Biological Sciences Department, School of Science & Mathematics. The following positions are available: (1) Vertebrate Zoologist with emphasis in human cadaver anatomy; (2) Vertebrate Zoologist with emphasis in human physiology; (3) Marine Invertebrate Zoologist; (4) Plant Taxonomist-Field Botanist with training in floristics and plant geography. Duties & responsibilities will include teaching general courses within discipline. Applicant should have an earned doctorate. Applications must be received by May 10, 1976.

YOUR BICYCLE SAFETY GUIDE

RULES OF THE ROAD

Every person operating a bicycle on a roadway shall ride as near the right-hand curb or edge of the roadway as practicable, exercising due care when passing a standing vehicle or one proceeding in the same direction (VC 21202).

A person must operate a bicycle as near the left-hand curb or edge of the roadway only on one-way streets consisting of two or more marked lanes. This does not include two-way divided highways (VC 21202b).

No person riding upon a bicycle shall attach the same or himself to any streetcar or vehicle in the road way (VC 21203).

A person propelling a bicycle shall not ride other than upon or astride a permanent and regular seat attached thereto (VC 21204a). No person operating a bicycle upon a highway shall permit a person to ride on the handlebars (VC 212046).

No person operating a bicycle shall carry any package, bundle, or article which prevents the operator from keeping at least one hand upon the handlebars (VC 21205).

OWNERSHIP, LICENSING, AND LOCAL REGULATIONS

This chapter does not prevent local authorities, by ordinance, from regulating the operation, use, licensing, or equipment of bicycles, provided such regulation is not in conflict with the provisions of this code (VC 21206).

If a city or county has or adopts a bicycle licensing ordinance or resolution, no resident shall operate a bicycle which was first sold as a new bicycle in California on or after September 20, 1974, on any street, road, highway, or other public property within the jurisdiction unless such bicycle is licensed (VC 39002a).

The owner of a properly licensed bicycle must notify the licensing agency within 10 days after selling or disposing of the bicycle (VC 3900a).

A person who acquires a bicycle must apply for a transfer of the license into his name within 10 days of taking possession (VC 3900b).

Anyone owning a bicycle licensed by a local authority must notify the licensing agency of any change of address within 10 days (VC 3900).
NEH Sets Public Programs Deadline Date. The National Endowment for the Humanities has announced May 17, 1976, as the next postmark deadline for applications to its Division of Public Programs. The Division includes:

(1) The Museums and Historical Organizations Program, which provides funding for: (a) planning of interpretive temporary exhibitions and interpretation of permanent collections; (b) implementation of interpretive temporary exhibitions and permanent installations; (c) special educational projects by museums and historical institutions for the public in their communities; (d) seminars, workshops, and other in-service training for individuals who directly influence the work and the programming of museums and historical organizations.

(2) The Media Program, which provides: (a) development grants to finance the research and writing of a full script; (b) pilot grants to finance the full production of a pilot film or program; (c) production grants to finance the full production of a single film, program, or entire series; (d) a limited number of planning grants to support projects which bring together scholars in the humanities and production personnel to develop humanities programs in new media formats and to explore ways to extend inter-cooperation.

(3) Program Development, which provides a limited number of experimental grants to research (a) ways in which libraries can use their existing resources to more effectively make the humanities available to the adult population; (b) making the humanities more accessible to the general adult population in urban areas; (c) the development of nationwide public humanities programs by national organizations that provide significantly increased public access to the humanities.

Prospective applicants are urged to submit a brief description of their project several weeks prior to the deadline in order to determine their eligibility within program criteria. Detailed program guides and application materials may be obtained from the appropriate Program Director, Division of Public Programs, National Endowment for the Humanities, Washington, DC, 20506, or by calling: Media Program, (202) 382-5537; Museums and Historical Organizations Program, (202) 382-5714; Program Development, (202) 382-8333.

USOE - Teacher Corps Deadline. Applications from institutions of higher education and local educational agencies for noncompeting continuation grants for the second year of "tenth cycle" Teacher Corps projects must be received by U. S. Office of Education by June 1, 1976.

For program information, write: Teacher Corps, Office of the Commissioner, Office of Education, Washington, DC, 20202.

** * **

* * *

Human Cell Biology Program. Applications for research on cell biology from U. S. researchers are being considered by the Cell Culture Center at the Massachusetts Institute of Technology established by NSF. The Center produces mammalian cells and viruses on a large scale to allow researchers to conduct experiments in basic cell biology that could not be accomplished with existing materials and facilities in the investigator's own laboratory. Special consideration is given to young investigators with limited resources. For further information, contact Donald Giard, Cell Culture Center, E 17-321, MIT, 77 Massachusetts Avenue, Cambridge, Massachusetts, 02139.

* * *

ERDA - Student Research Participation. Temporary appointments of 8-16 weeks are made for qualified students to participate in existing research projects at participating ERDA laboratories, under the guidance of a laboratory research scientist.

The Association or administering office selects eligible applicants in conjunction with the participating laboratories on the basis of the applicant's scholastic achievement and aptitude.

College or university students (generally juniors and seniors) majoring in a physical or life science, in engineering, or in mathematics may apply with the endorsement of their educational institutions. Students may receive a stipend of $90 to $120 per week. A travel allowance may be provided.

Faculty who know of qualified students should urge them to contact: University Participation Office, Oak Ridge Associated Universities, Post Office Box 117, Oak Ridge, Tennessee, 37830.
