Parking fees increased

by KATHLEEN BEASLEY
Editor

Parking fees will be raised to $5 per quarter for the California Fall Quarter in the state university and college system.

The decision was reached Wednesday at a trustees' meeting in Los Angeles. In addition, the trustees approved the concept of consortium, or system wide, education.

The $5 per quarter increase in the parking fee was termed necessary by Vice Chancellor Dale Hamner because of the increase in operating costs and the expense of building additional facilities.

ASI Pres. Robin Baggett, speaking on behalf of the college and university student body, opposed the increase.

"What the trustees are proposing is to levy another burden upon students who are now existing on a relatively low income level," he said.

Baggett also pointed out that many students had worked on behalf of $800,000 that was used last year which returns half of the revenue from campus parking tickets to the college and university system—in hopes that the $800,000 raised would make a fee increase unnecessary.

"The passage of the increase will be a slap in the face to the students who worked admirably for the betterment of the system," Baggett said.

Trustee Winifred H. Lancaster, however, said that the $5 per year increase could hardly be viewed as burdensome.

Ray T. Brophy moved that the item be tabled until exact figures for revenue provided by $800,000 and an explanation for increase and cost were available. But Hamner urged its immediate passage, saying, "we feel it is inevitable and that it is desirable to do it now. We urge the board to take action now, so that the increase may be levied in fall."

The increase is expected to raise $850,000 per year.

The trustees voted to move towards a consortium system to better utilize the faculty and program resources. Under this plan, the college and university system would be allowed to award degrees and certificates when an individual campus could not. Also the curriculum would be harmonized system wide for reciprocity of credit.

The program calls for experiments with various instructional delivery systems, such as independent study, electronic media, and computer instruction.

In other business, the trustees approved the name change of the College Union to the Julian A. McPhers University Union.

New drug abuse bureau

set up by Pres. Nixon

WASHINGTON (UPI) - President Nixon proposed Wednesday to combine the fragmented antidrug efforts of a half-dozen federal agencies in a new Justice Department division strong enough to battle "a resourceful, elusive, worldwide enemy"—the underworld narcotics traffickers.

Mexiko Study

Students whose grades have qualified them for a place on the Dean's list may be eligible to study in Mexico City at the Liberal Arts and Science Center.

Ten students will be selected to participate in the International Program in Latin America.

Interested students may secure applications at the Office of International Education, Tanaya Hall, Room 186. The application deadline is April 1.
EOP change questioned

Tommy Smith

Editor's Note: This is the first of two new columns to be introduced this quarter. According to author Tommy Smith, "What it is" is essentially a variation of the Third World communications. Next week's edition will provide other columns on women's rights.

Editorials are, of course, a method of Third World. According to the author, "downtime" is a term often heard in mountaineering but during the winter season. Thlt feather comes from a duck. But with the right sleeping bag It can be a continuing, ple warm.

Blood donors needed

A blood drive to replenish this university's blood bank will be held from 9 a.m. to 3:30 p.m. today in Chumash Auditorium. Sponsored by the Block P Society, the annual drive was organized to raise at least 100 pints of blood to be used by students, faculty, staff and their dependents.

Dr. Buccola, Block P Advisor, suggested student and faculty donors, who have not suffered from recent colds or contagious illnesses, not eat four hours prior to giving blood.

Local doctors and nurses from the tri-county blood bank will conduct the blood drawings and serve refreshments to donors after they have given.

Donors, without appointments, may sign up to give blood until 3 p.m.

Guatemala night

The International Student section of the Women's Club will present the fourth in a series of monthly programs of cultural exchange this Friday.

Guatemalan Night will be the occasion at 8 p.m. in Tenaya Lounge, when international students from Guatemala on this campus feature slides, snapshot materials and costumes typical of their native land.

Main host for the event will be Mr. and Mrs. Frank Zuniga, who will provide many of the items to be presented. Zuniga will be joined by other Guatemalan students in the presentation.

Macrobioatics free lecture

Mr. Herman Ahara, a longtime student of macrobiotics, will present a free lecture on the subject Thursday, March 19 at 7 a.m. in the Rawhorne School Auditorium of San Luis Obispo. Ahara is president of the George Ohhsawa Macrobioatics Foundation of San Francisco and is purportedly an expert on Eastern philosophy.

Scholarships

The deadline date for submitting applications for scholarships for 1975-76 is April 1.

Applications and necessary forms are available in the Financial Aid Office, Administration 187.

Paramedical class...

According to Dr. Richard Nelson, head of the Biological Sciences Department, this course will provide participating students with experience in several medical services and will therefore better prepare them to choose the career for which they are best suited.

All students interested in the paramedical program may add the course during the first class meeting Friday, March 16 between 4 and 6 p.m. in Room 8B of the Science Building.

Step into Spring at Great Savings

1976 Higuera St. Downtown San Luis Obispo

Thursday, March 29, 1973

Page 11
Fresno and UCSB here

Pre-season competition comes to a close this weekend as the Mustangs take on the teams of Fresno State Saturday (10 a.m.) and UC Santa Barbara Sunday (11 p.m.).

The locals take a 6-4 season record onto the road with a try to find a match against San Jose State Monday 8-1, and against Claremont-Mudd Saturday 8-0.

At San Jose, Mustang number one Dan Lambert was the only local to record a win, dropping a match to San Jose State Monday 8-1, and doing it in a singles competition. Mustang Harold Errett lost to Terry Wagner 9-4. Errett dropped out early due to illness.

Tourney action for golf squad

The 44-hole event includes the Mustang golf team during the first and second round at the Monterey Peninsula Country Club. The tournament event includes the teams from 18 colleges in the western United States. Entered are Bakerfield, Fullerton, Long Beach, Los Angeles, Northridge, and San Diego State Universities; UCLA; UC Irvine; UC Santa Barbara; UC Riverside; UC Berkeley; UCB; UCSD; University of Santa Clara; United States International University; Air Force Academy; and Arizona State.

Representing the Mustangs will be John Bratland, Tom Farrow, Bill Reed, Doug Jones, Kirk Ewalt, and Ron Denevi. In tournament play the top four scores are recorded.

USC and Long Beach are expected to be the heavy favorites, according to Mustang coach Bill Hicks. "We will have a chance to place high if our top four players can win in the majority of 78 each day," said Hicks.

"The top four players on my team are very consistent, but we lack depth in the last two spots," Hicks said. The Mustangs are sporting a 1-1-1 overall record.

"A good example of our weakness was the loss to Cuesta," said Hicks. The Mustangs were leading the Cougars on March 18, 36-36, after the first four players had finished. When the last two came in and the smoke had cleared the Mustangs won the competition, 38-36.

The next home match is scheduled against Cal State Fullerton on Monday April 3 at the San Luis Obispo Golf and Country Club.
