CAL POLY TO ACCEPT STUDENTS UP TO 8,300

No restriction of enrollment at Cal Poly, SLO, is anticipated as a result of Chancellor Dumke’s recent executive order authorizing each state college president to admit only that number of students for which he believes he has qualified faculty. President Kennedy has indicated that there is no need to limit the enrollment to less than the projected Fall Quarter full-time equivalent of 8,300 students which was the number on which the college’s 1967-68 budget request was based. President Kennedy also has indicated that he does not anticipate that the college will exceed that figure in enrollment.

Chancellor Dumke’s executive order was issued because applications for admission to the state colleges were running some 18 percent ahead of the figure at the same time last year on July 1. The state college budget request is based on only a 9 percent increase.

Chancellor Dumke pointed out also that another factor which may result in further restriction of enrollment in some colleges is that the recruitment of qualified new faculty members is seriously lagging. When Chancellor Dumke issued his statement July 25 the state colleges had 661 full-time positions vacant.

DONALD M. HART ELECTED TRUSTEES’ CHAIRMAN

Donald M. Hart of Bakersfield is the new chairman of the Board of Trustees of the California State Colleges. The term is for one year. A member of the Board of Trustees since its formation in 1960 and vice chairman for the past two years, he succeeds Albert J. Ruffo, San Jose attorney. Theodore Meriam of Chico is the new vice chairman of the board.

TOM McGRATH APPOINTED ASSISTANT EXECUTIVE VICE CHANCELLOR

Thomas H. McGrath has been appointed to the newly created post of assistant executive vice chancellor of the California State Colleges. He will work directly with Chancellor Glenn S. Dumke and Roy A. Rydell, executive vice chancellor, handling planning and operations of the 18-college system. His duties will also include being liaison officer between the state colleges and other segments in state higher education, including the Coordinating Council for Higher Education, the University of California, and the junior colleges.
JOHNSON TO SUCCEED BENNION AS DEPARTMENT HEAD WHEN LATTER RETIRES

Lyman Bennion, head of the Animal Husbandry Department, has announced his retirement from the faculty of the college September 15, and Richard F. Johnson has been appointed the new head of the department effective September 18. The retiring department head has had 36 years of teaching experience, 29 years of it at Cal Poly where he joined the staff in 1938.

The new department head joined the Cal Poly staff in 1950. He was winner of the Distinguished Teacher Award in the second year of its inauguration. A graduate of Iowa State College, he received his master of science degree at the State College of Washington where he was an instructor and a member of the Experiment Station staff prior to coming to Cal Poly.

MASTERS DEGREES IN MATHEMATICS APPROVED

Chancellor Glenn S. Dumke has approved the offering of the degrees of the master of arts in Mathematics and master of science in Applied Mathematics by Cal Poly, San Luis Obispo. Both degrees will be effective the 1968-69 academic year and the programs are authorized for inclusion in the 1968-69 catalog. Both programs were included in the academic master plan for the college which was approved by the Board of Trustees June 21-22, 1967.

A request for approval to offer a program leading to the bachelor of science degree with a major in Child Development was forwarded to Chancellor Dumke late in July. The request asks approval of the program beginning in the Fall Quarter 1968-69. The Child Development proposal also was a part of Phase II of the academic master plan for the college recently approved by the Trustees.

DEAN OF AGRICULTURE CONSULTATIVE SELECTION COMMITTEE ELECTED

Members of the Consultative Committee for the Selection of a Dean of the School of Agriculture have been elected as follows: From the School of Agriculture: Russell Anderson, chairman; Logan Carter; William Kirkpatrick; Herman Rickard; John Rogalla; from the School of Applied Arts: Arthur Butzbach; from the School of Engineering: James McGrath; from the School of Applied Sciences: William Alexander.

To date two meetings of the committee have been held. A general description of the position and desired qualifications expected of the applicant have been prepared. Announcement of the position is scheduled to be made nationwide September 25. Applications will be received until January 1, 1968. Anticipated appointment date for the dean of agriculture is June 15, 1968. Early in the Fall Quarter the committee plans to schedule a meeting time for anyone interested in discussing the selection procedure being followed.

DR. EISENBISE TO SPEAK IN NOON LECTURE SERIES

Dr. Merlin Eisenbise, president of Cuesta College, will be the speaker Thursday noon, August 3, in the 1967 special summer noon lecture series. His subject will be "Cuesta College Looks Ahead." The series is sponsored by Associated Students and the Education Department. All interested persons are invited. The lectures are held in the east wing of the student dining area, starting at 12:30 p.m., with food available in the snack bar.
BROMLEY LEAVES FOR GUATEMALAN PROJECT

Philip Bromley left August 1 for Guatemala where he will participate in a pilot program for the Agency for International Development (AID) involving development and use of a mobile school. The project is one of two new programs for which Cal Poly recently signed contracts with AID. Bromley and Bob McColaugh, vocational agriculture teacher from Tollhouse, will serve as agricultural education advisors operating the mobile school unit in Guatemalan villages.

In another closely associated program Kermit Adams, vocational agriculture instructor at Delano, and Jerry Arnold, vocational agriculture instructor at Coachella, will work at Barcena School in Villa Nueva. The overall goal of the four-man team is to improve agricultural production in Guatemala. The immediate objective is to improve the technical knowledge and the teaching methods of the Guatemalan farm advisor.

NEW ASI BUSINESS MANAGER NAMED

Roy Gersten of Sacramento, a retired major in the Army Signal Corps, has been appointed business manager for Associated Students, Inc., to succeed Bob Spink who resigned. The appointment will be effective August 15. The new business manager is a business administration graduate of Sacramento State College.

Gersten's Army career of more than 20 years took him to the South Pacific, Korea, Japan, and Germany as well as to many assignments in the United States. At one time he was assistant post signal officer for the Fort Ord-Hunter Liggett-Camp Roberts military complex. Assigned to Germany in late 1956, he was chief of the communications area west of the Rhine River and signal unit commander for three years.

The new business manager was selected for assignment with the Military Staff at the White House in Washington, D.C. in October, 1959. In that connection he served as advisor on communications to the President and his staff and cabinet. He traveled extensively in this country and overseas with the presidential parties of Presidents Eisenhower and Kennedy and then Vice President Johnson.

LUCY SCHMIDT HEADS GENERAL OFFICE

Mrs. Lucy Schmidt assumed the duties of Supervising Clerk II in the General Office August 1. The position was formerly held by Kathryn Rowland who has retired. Included in Mrs. Schmidt's responsibilities are supervision of the General Office, the switchboard, mimeographing and duplication and mail service.

Mrs. Schmidt came to Cal Poly as an intermediate clerk in September, 1956. In January, 1959, she succeeded Mabel Camp as supervisor of the records section. In September of 1961 she was promoted to Supervising Clerk I.

ISRAELI DAIRYMEN ATTEND SHORT COURSE

Nine dairymen from Israel are spending two months on campus in a dairy short course. They are visiting dairies throughout the state as well as participating in class activities on campus. The Dairy Department faculty is providing the coordination and instruction.
DR. HIRT BECOMES MARINE LIEUTENANT COLONEL

Dr. John B. Hirt, acting dean of engineering, has been appointed lieutenant colonel in the U.S. Marine Corps Reserve. The new colonel, who started his Marine career as a private, is a veteran of World War II and the Korean War. He served in the latter for three years as an engineering officer for combat attack and fighter squadrons.

Since his release from active duty in 1954, Colonel Hirt has served in various technical and command billets for the Marine Corps Reserve. Currently he serves as campus officer selection officer. He spent 15 days on active duty in Command and Staff School in Quantico, Virginia, earlier this summer.

SCIENCE FELLOWSHIP ANNOUNCEMENTS AVAILABLE

Announcements of the Science Faculty Fellowship, the Senior Postdoctoral Fellowship, and the NATO Postdoctoral Fellowship in Science, all of the National Science Foundation, are on file in the office of the dean of the School of Engineering and may be used there by interested persons. The closing dates for applications for all three fellowships are early in October.

ACTIVITIES ADVISOR FOR FOREIGN STUDENTS APPOINTED

Mrs. William H. Blaine of Albuquerque, New Mexico, has been appointed activities advisor for foreign students effective September 18. She has a bachelor's degree with a major in economics from the University of Iowa and a master's degree in counseling and guidance from the University of New Mexico, the latter degree having been conferred this June.

Following her graduation from college, Mrs. Blaine was secretary-office manager of the Foreign Policy Association in Washington, D. C. From 1943 through 1945 she was in the diplomatic service of the Department of State, first as a communications clerk in Buenos Aires and later as a stenographer in Santo Domingo, Dominican Republic. She married the military attache at the latter embassy and continued to give full time to embassy responsibilities.

Mrs. Blaine worked as a volunteer with the Albuquerque Chapter of the American Field Service Association for three years, arranging for the reception, housing, financing, and educational programming of foreign students in that program. She also worked in the Association's Americans Abroad Program. From June, 1964, to February, 1966, she was assistant foreign student advisor at the University of New Mexico.

MAJOR KINGSBURY DIES IN VIETNAM

Major David Kingsbury, who until a little over a year ago had been on the faculty of the Military Science Department, was killed in Vietnam only seven days before the end of his tour of duty there. The helicopter in which he was serving as battalion operations officer was shot down with loss of all aboard.

A 1954 graduate of Cal Poly, he was the first ROTC cadet colonel to be graduated. Although he had served tours of duty in Korea and Germany, he insisted on going to Vietnam in June, 1966.
THREE STATEWIDE GROUPS TO MEET ON CAMPUS IN AUGUST

The California Workshop for Physical Education and Athletic Coaching will be held on campus August 7 through August 18, with the California Physical Education Workshop for Women in Secondary Schools being held August 6-18. The Advanced Study Conference of the Society of California Accountants will be held August 27-30.

RESEARCH GRANT AWARDED TO DR. FINCH

Dr. Harry C. Finch of the Biological Sciences Department has been awarded a $1,950 research grant from the National Science Foundation for continuing research on soybean viruses. The research project was started about four years ago with a grant from the National Science Foundation for summer research at Purdue University. Dr. Finch's research at that time considered transmission of viruses by insects.

The present project, which Dr. Finch expects to have completed by November, 1968, was initiated in November, 1966. Dr. Finch has three objectives for the project: to cure soybeans of virus, to utilize virus as a genetic tool, and improve agronomic characteristics of soybeans through breeding.

LAWSON TEACHES AT NEW MEXICO STATE

Dr. John D. Lawson served as visiting professor at New Mexico State University for a two-week seminar on applied behavioral sciences July 10-24.

SEPARATE ALUMNI ASSOCIATIONS FOR SLO AND KELLOGG RECOMMENDED

Splitting the present Cal Poly Alumni Association into two organizations, one for graduates of Cal Poly, San Luis Obispo, and another for those of Cal Poly, Kellogg-Voorhis, was recommended by a special committee of the Association which met on campus July 22. The first meeting of the committee had been at Kellogg June 17. In connection with this decision, all graduates of the college would be given an opportunity to indicate to which of the two new associations they wish to belong or whether they wish to belong to both. The funds accumulated from life and annual memberships would be split equitably.

Les Vanoncini, a 1946 graduate of the School of Agriculture, has been named by President Robert E. Kennedy to serve as the college alumni affairs representative at San Luis Obispo. Vanoncini, who has been active in alumni affairs, will give only part-time to the alumni affairs assignment.

To make further decisions concerning the division of the Alumni Association, the special committee will meet with the association directors prior to the first home football game with Cal Western, here, October 7.

HEART ATTACK FATAL FOR ARTHUR TERRILL

Arthur Terrill died suddenly early Tuesday morning, August 1, as the result of a heart attack. He had a history of heart trouble. He was a stationary engineer at the power plant and had been on the Cal Poly staff since March 1, 1947.
ARMY MASTER SERGEANT RE-ENLISTS FOR FIFTH TIME

Master Sergeant Robert E. Sykes of the staff of the Military Science Department at Cal Poly has re-enlisted in the United States Army for the fifth time. He has already completed 17 years of service during which he has seen duty in the United States, Panama, Korea, and Germany.

Sergeant Sykes has had a wide variety of service schooling and eight years of experience as an Army instructor. He and his wife have lived at 1181 Laurel Lane since their arrival here from Germany late last year.

ELAINE AUSTIN APPOINTED ACTIVITIES ADVISOR

Miss Elaine Austin, who was graduated as an English major from Cal Poly in June, became activities advisor at the college August 1. She is replacing Miss Cleo Bauer who has joined the student activities staff at California State College at Los Angeles. Miss Austin is a graduate of Bakersfield High School and has an AA Degree from Bakersfield Junior College. As a student at Cal Poly she was vice president and treasurer of Trinity Hall, active in the English Club, was on the Dean's List in 1964-65 and President's Honor List in 1965-66.

SHAW ATTENDS NATIONAL CONVENTION ON SPORTS INFORMATION

Wayne Shaw, ASI public information director, is in Chicago for the national convention of sports information directors August 2-4.

JUNE ISSUE OF "C S C REVIEW" ARRIVES ON CAMPUS

Copies of the June issue of The California State Colleges Review have arrived on campus and are being distributed to departments with this issue of Staff Bulletin. Additional copies are available in the Faculty Reading Room of Dexter Memorial Library and the Public Relations Office, Room 216, Administration Building.

DEADLINE FOR WITHDRAWALS IS NOON, AUGUST 5

Except for college recognized emergencies, no withdrawals from a course will be permitted after the end of the seventh week of instruction. This deadline is 12 noon, August 5.

ENROLLMENT LOWER FOR SECOND SUMMER SESSION

The second Summer Session has enrolled 209 students. Enrollment for the first session was 384 students.

Summer Quarter enrollment totals 1,690, of whom 295 are limited students and 77 are graduates. Enrollment by schools is Applied Arts, 572; Engineering, 464; Agriculture, 359; Applied Sciences, 295. Departments with large enrollments are Architecture and Architectural Engineering, 221; Business Administration, 154; Social Science, 132; Home Economics, 106.
TWO AGRICULTURE GROUPS MEET ON CAMPUS

The Farm Bureau Board of Directors meeting and the Farm Bureau Staff Institute were held on campus July 18-21. Campus coordinator of the affairs was Joe Earley. The Farm and Land Brokers Educational Conference was held on campus July 24-26. Some 250 farm and land brokers from all parts of the state were in attendance. Dr. Dan Chase was campus coordinator.

CANDIDATES SOUGHT FOR PLACEMENT INTERVIEWER POSITIONS

The Placement Office is seeking applicants for placement interviewer positions. Full information concerning the positions can be obtained in the Personnel Office.

ADDITIONAL SALARY ADJUSTMENTS EFFECTIVE JULY 1, 1967

The Board of Trustees acting at its July 27, 1967, meeting approved certain additional special salary adjustments effective July 1, 1967. Based on surveys conducted by the State Personnel Board, representatives of the Chancellor's Office of Faculty and Staff Affairs, and other public jurisdictions, the Trustees approved salary increases in addition to those approved on July 6, 1967, for certain medical, administrative, and non-academic classes. This action was taken to correct serious salary inequities which existed in the State Colleges in order to keep them in a competitive position for recruitment and retention of personnel and to maintain a proper internal salary structure. The special salary adjustments also included the classes of Student Assistant and Student Trainee - Work Study.

Increases applicable to Cal Poly included the following classes:

<table>
<thead>
<tr>
<th>Class</th>
<th>% Increase</th>
</tr>
</thead>
<tbody>
<tr>
<td>College Business Manager III</td>
<td>1% increase</td>

TO COMBINE CLASS I AND II FACULTY RANKS

The Board of Trustees of the California State Colleges voted at its July meeting to combine faculty ranks Class I and Class II as soon as adequate funding can be obtained for that purpose, hopefully no later than September 1, 1968. The resolution adopted by the Trustees pointed out opposition to continuance of the two classes by the Academic Senate, the Coordinating Council for Higher Education, and the Chancellor's staff. The resolution also points out that the California State Colleges compete for faculty with other institutions which do not make distinctions similar to those made by Class I and Class II.
