TECHNICAL ARTS DEPARTMENT RENAMED, MOVED TO SCHOOL OF ENGINEERING

The Technical Arts Department has changed its name and has been transferred from the School of Applied Arts to the School of Engineering. The curriculum and department now will be known as "Industrial Technology." The name change and transfer to the School of Engineering will be effective in the Summer Quarter.

The Industrial Technology Department will continue its emphasis upon the preparation of graduates for positions in industrial sales, production supervision, and industrial arts teaching.

The changes were made following consultation with the deans of engineering and applied arts, the head of the Technical Arts Department, and the faculties of the School of Engineering and the Technical Arts Department.

The transfer of this instructional unit to the School of Engineering is the first move in implementation of a plan for expanded emphasis by the School of Engineering in the area of technology. A second step included in the Academic Master Plan, Phase III, will involve establishment of a curriculum in engineering technology in 1969.

RECEPTION WILL SIGNAL START OF 36TH POLY ROYAL

The reception honoring Miss Cal Poly, Queen of Poly Royal Renee Ellis, her princesses, and honored guest Charles Luckman Thursday (April 25) evening will be the first activity of this year's Poly Royal festivities. It will take place beginning at 7:30 p.m. in the Staff Dining Room.

Student leaders planning the annual Associated Students, Inc., open house program expect this year's crowd of parents and friends of students and other citizens from throughout the state to equal that of last year when more than 61,000 were on hand to take part in the best-attended Poly Royal in college history.

Featured throughout Friday and Saturday (April 26-27) will be demonstrations, displays, and other activities provided by the 36 instructional departments and schools of the college. Also listed on the schedule of events, which runs to more than 12 pages, are three performances of the intercollegiate rodeo; band concerts; art, fashion, and flower shows; the pancake breakfast and barbecued steak and chicken luncheon, both on Saturday; the carnival and carnival dance; various livestock showing and judging contests; and the Coronation Ball and Western Dance. The additional performance of the rodeo, which appears on the schedule of events for the first time this year, is scheduled for Friday evening, beginning at 7:00 p.m., under the lights in Collett Arena.

Pancake Breakfast - 8:00 to 11:00 a.m. Saturday, April 27, Crandall Gymnasium.

Livestock Showing and Judging - 9:00 a.m. to 12:00 noon Saturday, April 27, athletic fields and Dairy and Beef Pavilions.

Steak and Chicken Barbecue Luncheon - 11:00 a.m. to 1:00 p.m. Saturday, April 27, Poly Grove and Staff Dining Room.

Coronation Ball - 9:00 p.m. to 1:00 a.m. Saturday, April 27, Men's Gymnasium.

Western Dance - 9:00 p.m. to 1:00 a.m. Saturday, April 27, Crandall Gymnasium.

RESULTS OF EXPERIMENTAL EVALUATION PROGRAM RETURNED TO PARTICIPANTS

Results of the experimental faculty evaluation program conducted in classes of selected members of the college faculty during the Winter Quarter have been compiled and are being forwarded to instructors who participated through campus mail, according to Robert J. Huot of the English and Speech Department faculty who is advisor to the Associated Students Survey of Instructors' Teaching Committee of the Associated Students, Inc.

Huot pointed out that representatives of the ASSIST Committee will make appointments to discuss the results of the survey if those whose classes were surveyed wish to do so after having had an opportunity to study the results. The faculty advisor to the student committee called the initial attempt at faculty evaluation "a success in that many factors which might cause confusion in future programs were identified and, the committee hopes, eliminated."

SUMMER SYMPOSIUM, SHORT COURSE ON FLORAL DESIGN SLATED

Floral design will be the subject of both a short course and a symposium which have been scheduled for this summer on campus. The Ornamental Horticulture Department and the American Institute of Floral Design are combining forces to present both activities. The three-week-long short course will begin June 24 and will be followed by the symposium planned for July 14-16.

Arthur F. Ito of Los Angeles will be chairman for the symposium and will have the assistance of Miss Bea Frambach of Burbank. Robert Gordon of the Ornamental Horticulture Department faculty will coordinate arrangements for the symposium and will conduct the short course which will cover the full range of floral designs required in the floral industry today.

FACULTY, STAFF INVITED TO ENTER "POULTRY IN ART" SHOW

Faculty, staff, and student artists are invited to participate in the "Poultry in Art Exhibition" being held by the Poultry Industry Department during Poly Royal Friday and Saturday (April 26-27). Deadline for entries in the show, which must be on forms which may be obtained in that department's office located in Erhart Agriculture Building, is tomorrow (Wednesday, April 24). The contest will include classes for both graphics and three-dimensional work. The key requirement is that each entry must feature poultry or poultry products in some manner.
