DEATH TAKES TWO MEMBERS OF ENGINEERING FACULTY

Two members of the San Luis Obispo Campus' Engineering Division faculty died of apparent heart failures Sunday (Feb. 6). They were Norman Sharpe and John Hargis, members of the Air Conditioning and Refrigeration Engineering and Architecture and Architectural Engineering Departments faculties, respectively.

Although services for neither of the two had been finally scheduled at deadline time for this edition of Staff Bulletin, a memorial service for Sharpe had been tentatively scheduled for Sunday (Feb. 13) afternoon in the Methodist Church, San Luis Obispo.

Sharpe, a member of the college faculty since 1937 and head of the AC and R Department from 1941 to 1958, had been ill for some time and passed away Sunday morning. In contrast, Hargis, who had joined the college instructional staff last September, died Sunday afternoon while on a clamming expedition at Pismo Beach.

NEW OPPORTUNITIES WITH CAL POLY OVERSEAS PROGRAMS AVAILABLE

Les Vanoncini, director of extension services and coordinator for overseas projects for Cal Poly is seeking applicants for several positions that are now, or will be, open. Described in more detail below, the projects included in Vanoncini's announcement are a soon-to-be-opened program in Sudan and the Zambia and Tanzania projects which are already in operation.

Recommendations made recently by a Cal Poly survey team after a month-long study in Sudan, have been accepted and will soon be implemented through a contract with the US Department of State's Agency for International Development and the Sudanese government. Purpose of the survey, conducted by Dean of Agriculture Warren T. Smith, Foundation Manager Gene Brendlin, and Head of the Crops Department Corwin Johnson, during August, 1965, was to determine the feasibility of establishing an agricultural training center at Shambat Institute in Khartoum.

Acceptance of the team's report on the institute, which had been a vocational training center which was not meeting the needs of its area, considerably changes future direction of Shambat Institute. Under terms of the project, Cal Poly will be asked to implement an agriculture training program designed to train 40 students per year in vocational agriculture. After their graduation, these students will be used to assist farmers of Sudan in production and mechanization.

(Continued on Next Page)
DEADLINE FOR "OUTSTANDING TEACHER" AWARDS EXTENDED; PROGRAM WILL BE EXPANDED

Notification that funds budgeted to the California State Colleges for distinguished teaching awards have been allocated to the San Luis Obispo Campus has caused extension of the deadline for receipt of nominations for the campus' outstanding teachers of 1966. The new funds will make it possible to make three awards of $500 each this year and additional funds to provide for publication of representative work of those selected for recognition may be available.

Because three teachers will be honored, rather than two as previously announced, the selection committee has extended its deadline for receipt of nominations to Feb. 15. Feb. 4 had been previously announced as last date for nominations.

Those interested in further information about the program for recognition of outstanding teaching are invited to consult the Jan. 4 and Feb. 1 editions of Staff Bulletin. Copies of the form for submitting nominations may be obtained from any of the General Offices or the Associated Students, Inc., Office, and upon completion should be forwarded to John Merriam, chairman of the Faculty-Staff Council committee responsible for the selections, c/o Agricultural Engineering Department.

NEW OPPORTUNITIES WITH CAL POLY OVERSEAS PROGRAMS (Continued)

The AID contract with Cal Poly calls for a 5-year program which will require that from 8 to 11 staff members be assigned to Sudan. A reciprocal training program under which 50 Sudanese students over a 5-year period will study at Cal Poly will also be developed. These students will be trained as replacements to carry on the programs begun by members of the instructor team after the Cal Poly staff returns.

Personnel trained to fill positions in animal husbandry, crop production, farm management, agricultural engineering, soil science and agricultural chemistry, home economics, and agricultural diseases, will be required. It is expected that the team will depart for Sudan about July 1, and remain in the African nation for two years.

At the same time, Vanoncini announced projected additions to the college's instructor teams presently assigned to Dar es Salaam Technical College, Dar es Salaam, Tanzania, and Evelyn Hone College of Further Education, Lusaka, Zambia.

Mel Belcher, chief of party for the Tanzania program presently on leave from the college's Kellogg Campus, has requested the services of three additional specialists in engineering and his request has been authorized by AID. The three new positions are in addition to the four Cal Poly instructors already on duty in Dar es Salaam and are necessitated by additional duties on the Island of Zanzibar and an increase in the college's engineering enrollment.

Selection of an agricultural economist to be added to the instructor team assigned to Zambia is also now in progress. Bob Healey, chief of party there and also on leave from the Kellogg Campus, has requested such a person for assignment to the Natural Resources College located just outside Lusaka. That new position will increase the Cal Poly party in Zambia to three. Addition of an agricultural marketing specialist to the team is also expected later in the year.

Anyone interested in obtaining information on any of the projects and positions, or in applying for any of them, is invited to contact Vanoncini, whose office is Room 401B of the San Luis Obispo Campus' Administration Building.
PLANS FOR MAJOR 65TH ANNIVERSARY ACTIVITIES ANNOUNCED

Plans for two of the major events of the observance of Cal Poly's 65th Anniversary -- Founders Day on March 8 and the 65th Anniversary Dinner-Dance, April 2 -- are progressing well according to an announcement yesterday by William Troutner, chairman of the Coordinating and Planning Committee for the observance.

Founders Day will include both a campus-wide convocation and a special luncheon for guests of honor. The convocation, expected to feature a guest speaker, will take place beginning at 10:30 a.m., in the Men's Gym, and will be followed at noon, by the luncheon in the Staff Dining Room.

Details of the dinner-dance, included in Troutner's announcement, call for it to be the focal point of the observance as far as social activity is concerned. Being sponsored jointly by the various college-related faculty and staff organizations, it will take place the evening of April 2, at the Elk's Club in San Luis Obispo. Additional information on the dinner-dance is included in a special attachment to this edition of Staff Bulletin.

CAL POLY WOMEN'S CLUB NEWS

Travel Section - Mrs. Harry West will be the speaker when members of the Cal Poly Women's Club's Travel Section gather tomorrow (Tuesday, Feb. 9) for their next meeting. Scheduled for the home of Mrs. William Kirkpatrick, 267 Luneta, San Luis Obispo, the program will begin at 9:30 a.m. "A Most Enjoyable Christmas Holiday in Mexico" will be Mrs. West's topic.

Home and Garden Section - Next meeting of the CPWC's Home and Garden Section will be Feb. 16, when members will meet at the home of Mrs. Glenn Noble, 1327 Foothill Boulevard, San Luis Obispo, at 9:30 a.m. for coffee. Following the coffee, Mrs. George Hoffman will speak on "First Aid for Home Makers and Gardeners" and a short film on "Mouth to Mouth Resuscitation" will be presented in Room 212 of the Music Building on campus.

Book, Music, and Art Section - The home of Mrs. Franklin Crane, 281 Albert Drive, San Luis Obispo, will be place of the next gathering of members of the women's club's Book, Music, and Art Section. Planned for 8:00 p.m., the evening of Feb. 16, the program will feature Yvonne Barishaw, chairman of a local art show for the second year, speaking on "Art of the Show."

Bridge Section - Room 129 of the Library Building on campus will be scene of the next meeting of the CPWC's Bridge Section, beginning at 8:00 p.m., Feb. 21.

Newcomers Section - Next meeting of the Newcomers Section of the women's club will be Feb. 23 at 8:00 p.m., in the home of Mrs. Albert Fellows, 208 Hathway Street, San Luis Obispo. Speaker of the evening will be Morton Binder, a local landscape architect and interior decorator, who will offer inexpensive ideas on how to improve homes and gardens. Guests are invited to hear his presentation which will be illustrated with slide pictures.

Walking Group - Members of the club's Walking Group will gather at 9:00 a.m., Monday (Feb. 14), in the parking lot at the College Square Bank of America for their next meeting. They will then journey to Morro Bay for a walk around that city. Future programs include a walk through downtown San Luis Obispo and visits to Antique shops, being planned for Feb. 22, and a stroll through the Country Club Estates and Rolling Hills areas near San Luis Obispo, Feb. 28.

DEADLINE FOR ARTICLES APPEARING IN NEXT WEEK'S STAFF BULLETIN IS FRIDAY NOON
APPLICATIONS FOR TYPIST-CLERK POSITION BEING ACCEPTED

Applications for an intermediate typist clerk position on the Education Department staff, which will be open soon, are being accepted by the Personnel Department, according to an announcement issued last week by Milton Piuma, campus personnel officer. Applicants for the position should be permanent residents of the San Luis Obispo area and experience in teaching credential evaluation is desired. Those interested in obtaining further information about the opening are invited to contact the Personnel Office, Room 117, Administration Building, or to call (546) 2236.

BARR WILL REVIEW "TIN DRUM" FOR BOOKS AT HIGH NOON

Stanley Barr, a member of the English and Speech Department's faculty, will review The Tin Drum by Gunter Grass during the regular luncheon meeting of the Books at High noon series, next Tuesday, Feb. 15. Starting time for the program, which will take place in the Staff Dining Room, will be noon.

Critics have been kind to The Tin Drum. The New York Times calls it "a fantasy, a farce, a ferocious satire, and a comic extravaganza." The London Times is no less conservative. It adds: "Full of extraordinary scenes and characters... Prodigally rich in comic invention... This is a big book in every sense of the word."

Reviewer Barr adds: "The Tin Drum will cause shouts of joy and screams of indignation."

During today's (Feb. 8) program Col. William Boyce, now a member of the college-wide staff after having been head of the Military Science Department for three years, will review the third and final volume of Bruce Catton's discussion of the Civil War, Never Call Retreat. Starting time and place are both same as those listed above.

NOTES FROM THE KELLOGG AND VOORHIS CAMPUSES

Henry House, dean of students at the Kellogg Campus, received a special "Resolution of Recognition and Appreciation" during the recent Fall Awards Presentation of the Associated Students, Inc., at the Kellogg Campus. The special award was in recognition of his many years of contribution to student affairs and came as a surprise to House. Only his predecessor, Thomas McGrath and President Julian A. McPhee had been so honored previously...

George Carlstedt, a member of the Mathematics Department faculty at the Kellogg Campus, has been elected president of the Kellogg-Voorhis Credit Union, according to an announcement made to some 65 members of the group who attended its annual luncheon meeting recently. Also announced was an annual dividend of 4.5 percent...

One of the largest crowds of the season, 1,281, was on hand Jan. 23, to see Jennifer Price-Jones, a student at the Kellogg Campus, receive a $250 scholarship from the San Fernando Valley Arabian Horse Association and to see the famed Kellogg Arabian Horse Show. An added attraction to the show was unveiling of the first foal of the season, an 85-pound filly born three days before to Sanibel.

COLLEGE HOUR CONCERT SCHEDULED THURSDAY

Four campus student music groups will be featured during the College Hour Concert being planned for Thursday (Feb. 10), beginning at 11:00 a.m., in the Little Theater on campus. Scheduled during the program, which will be part of the Music Department's regular College Hour Concert series, will be numbers by the Women's Glee Club, the Majors and Minors, the Collegians, and the Collegiate Quartet.
KIRKPATRICK WILL BE STAFF CLUB LUNCHEON SPEAKER

William Kirkpatrick, campus coordinator for Agency for International Development program trainees, will discuss AID participant training past and present during the Staff Club's regular luncheon meeting, Thursday (Feb. 10), beginning at noon, in the Staff Dining Room. A member of the campus staff since 1949, Kirkpatrick is also a member of the Agricultural Engineering Department's faculty. He is responsible for coordinating programs and activities for students from foreign nations who are assigned to Cal Poly for study. An average of 100 such trainees have been assigned to the college each of the past several years.

PUBLICATIONS COMMITTEE WILL HOLD HEARING

Members of the student body and faculty interested in expressing comments, opinions, and constructive recommendations on student publications on campus have been invited to attend an evening meeting of the Publications Committee, Thursday (Feb. 10), beginning at 7:00 p.m., in Room 208C of the Library, by Dean of Students Everett M. Chandler. Faculty and staff members who would like to express their opinions will be most welcome, according to Chandler, who is chairman of the student-faculty-administration committee. "It is hoped that the committee will be able to produce a publications guideline that will be understood by all who have concern for the various publications so as to minimize friction and problems caused by lack of understanding," Dean Chandler concluded.

PRESIDENT MCPHEE HONOURED BY FAIR ASSOCIATION, DEPARTMENT OF ARMY

Both the Department of the Army and the Los Angeles County Fair Association have honored Cal Poly President Julian A. McPhee for his long and continued contributions to their programs in recent weeks.

Recognizing President McPhee's more than 40 years of contribution to the California's fair industry, the IACFA tribute was in the form of a plaque and was presented by Fred Froehde, president of the fair association during a brief ceremony held last month. President McPhee initiated much of the work accomplished through the years by California's Future Farmers of America in connection with the fair industry since the FFA's inception in the late 1920's. He served directly as superintendent of the junior division of the California State Fair from 1930 through 1940.

The first college course in fair management to be offered in the United States, initiated a year ago here at the San Luis Obispo Campus, has also received acclaim from the national fair industry. In addition to its support in establishment of the course, the Western Fairs Association provides four $500 scholarships annually for students interested in fair management as a career.

Presented during a special luncheon in his honor at the Madonna Inn, San Luis Obispo, last week, the Department of Army award to the president was bestowed by Major General Ernest F. Easterbrook, deputy commanding general of the Sixth Army. The award, the United States Army Patriotic Civilian Service Award Certificate of Appreciation, is the Army's highest award for patriotic civilian service. It was in recognition of President McPhee's support of the Reserve Officers Training Program at Cal Poly. The Department of Army award was to have been presented during a military review scheduled for Mustang Stadium on campus, but was moved to the luncheon after inclement weather caused cancellation at the review and delayed General Easterbrook's arrival.
FULL SCHEDULE OF SPORTS ACTIVITY SLATED THIS WEEK

A full schedule of sports activity, including home contests in wrestling, basketball, swimming, and baseball are on tap this week. Highlights undoubtedly are the home appearances of the Mustang varsity wrestling and basketball teams and opening of the varsity baseball season Friday (Feb. 11) against University of Southern California in Los Angeles.

Opponents for Coach Vaughn Hitchcock's varsity grapplers, who will be trying to break out of a three-match losing streak, will be San Fernando Valley State College at 6:30 p.m., and San Jose State College at 8:00 p.m., both Friday evening. They are in action again Saturday (Feb. 12), when they host touring Southern Oregon College in a match scheduled to begin at 8:00 p.m. All three matches will take place in Crandall Gym.

Two California Collegiate Athletic Association games are in store for the Mustang cage varsity when it returns to action Friday and Saturday evenings. California State College at Los Angeles will provide the opposition Friday, and San Fernando Valley State, Saturday. Game time will be 8:00 p.m., with frosh games matching the Cal Poly Colts against the freshman teams from CSCLA and SFVSC planned for 5:45 p.m., both evenings.

Coach Bill Hicks' baseball varsity opens its 1966 campaign with two games on the road this week. They will meet USC in an afternoon contest Friday, and University of California at Los Angeles Saturday afternoon. Other sports action this week (see "Campus Calendar" for detailed listing) include freshman basketball and wrestling, varsity swimming.

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

Glen Rich, Agricultural Engineering, took part in meetings of the Agriculture Section of the Governor's Industrial Safety Conference, which were held in San Francisco, last Thursday and Friday (Feb. 3-4). Rich represented Cal Poly in place of Robert Hatheny, the college's regular representative for the conference who presently is in midst of a leave of absence.

Harry G. Smith and C. Dennis Hynes, both Biological Sciences, are co-authors of an article titled "Modifications of the N-butyl Methacrylate Imbedding Method as Applied to Insect Lerval Head Capsules," which appeared in the January, 1966, edition of Annals of the Entomological Society of America.

Leo Rogers, Machine Shop, was presented the Luther Halsey Gullick Award of the Camp Fire Girls during ceremonies held last week in San Luis Obispo. The award, highest national award presented to adults by the Camp Fire Girls, went to Rogers for his outstanding contributions in promoting the organization's camping program and for his service as president of the Natoma Council for the past two years.

Dick Johnson and Dick Birkett, both Animal Husbandry, are the co-authors of Livestock Judging Kit II, latest of a series of instructional aids for vocational agriculture produced by the Cal Poly's Instructional Materials Program. Included in the kit are a set of specially prepared slides and manual.

David Thompson, Biological Sciences, has been awarded an honorary life membership in the Parent-Teachers Association by the PTA of San Luis Obispo Junior High School for his work among youth of the community.

J. Cordner Gibson, assistant dean of agriculture; Logan Carter, head of Soil Science; and Corwin Johnson, head of Crops, all attended meetings of the California Fertilizer Association, held Jan. 30-31, in Fresno.
PLACEMENT CALENDAR -- INTERVIEWS ON CAMPUS THIS WEEK

U. S. NAVY. Lt. F. J. Skinner, USN; Lt. C. L. Clinton, USN; and Lt/Jg F. M. Fellrath, USN; the Officer Programs Information Team, will be available in the Snack Bar area of the Dining Hall to provide information on the opportunities available to college graduates as commissioned officers in the US Naval Reserve. (2/8 - 2/9)

THE BOEING COMPANY. Ted Johnston, chief, college relations; Tony Sandona, senior personnel supervisor; and Al Gowans, personnel officer, Vandenberg Air Force Base, will interview seniors in aero, EE, EL, IE, ME, physics, math, and WM, for opportunities in the following areas: research (fundamental and applied) development, design, test, production and service in areas such as aerodynamics, structures, mechanical and electrical systems, instrumentation, tooling, materials and processes, and others. (2/8)

RATH PACKING COMPANY. Norman C. Ludwick, sales engineer, San Francisco Branch, will interview seniors in business administration and ABM for Marketing Development and Production Management Training programs. (2/8)

DEPARTMENT OF WATER AND POWER, Los Angeles. Donald M. Hawkins, recruitment and placement officer, and Richard C. Sandusky, electrical engineer, will interview seniors in architecture (structural), EE, and ME for engineering assistant positions in atomic power plant engineering. (2/8)

SUMMER: Juniors in architecture (structural), EE, and ME, and EE instructors may interview for summer positions with the Department of Water and Power.

UNITED AIR LINES. John J. Russell, regional employment supervisor, will interview seniors in aero, EE, EL, IE, and ME. (2/8)

W. T. GRANT CO. Leonard Black, field recruiter, will interview seniors in all majors interested in the company's management training program. (2/8)

AMERICAN AIR FILTER. E. A. Smith, personnel manager, Defense Products Group, and C. M. Davis, training supervisor, will interview seniors in AC and R, EE, IE, ME, and architecture (structural) for positions in design, test, research, and development in St. Louis, Mo.; and for sales opportunities on the West Coast and other locations throughout the country. (2/8)

PACIFIC TELEPHONE. Marguerette Paponis, college employment representative, will interview senior women in math, EE, EL, social sciences, and business administration and any other senior particularly interested in first level management positions. (2/9)

THE SHELL COMPANIES. G. M. LeMaitre, personnel representative, Shell Oil Company, will interview seniors interested in non-technical sales and marketing in the western marketing region. The jobs entail work with Shell's reseller organization supervising and selling ideas for better sales performance through the service stations of a territory. In addition R. C. Cameron and D. R. Wolf will interview seniors in business administration, TA, and other arts and sciences majors for positions in the financial and administrative departments. (2/9)

JOHNS-MANVILLE PRODUCTS CORP., Lompoc. D. A. Frank, supervisor, industrial relations and V. W. Moss, industrial engineering section leader, will interview seniors in IE and ME for engineering trainee positions. (2/9)

(Continued on Next Page)
UNITED CALIFORNIA BANK. R. S. Cupp, training specialist, will interview seniors in all majors who are interested in career opportunities in banking. (2/9)

McCLELLAN AIR FORCE BASE, Sacramento. Ken Steen, college recruiting representative, will interview seniors in business administration (accounting), EE, EL, IE, ME, and Aero, as well as others particularly interested in entry positions in this government operation. (2/10)

INTERNAL REVENUE SERVICE. Roy Nakagawa, audit training coordinator, will interview seniors in business administration as well as any other major with a particular interest in opportunities with the Internal Revenue Service. (2/10)

UNION CARBIDE CORP., Linde Division. E. R. Brown, Jr., manager of recruiting, and D. C. Millar will interview seniors in architecture (structural), EE, IE, ME, and WM. Positions are available in production, research, development, engineering, and sales. (2/10)

CALIFORNIA STATE PERSONNEL BOARD. Thomas E. McCart, recruitment supervisor and Charles R. Smith, recruitment representative, will interview seniors in business administration, math, physics, and social sciences and any other major interested in entry positions in California state government. (2/10)

USDA, Soil Conservation Service, Portland, Ore. Herb Boddy, head, Field Information Unit, will interview seniors in technical journalism for positions with the Soil Conservation Service. (2/10)

CALIFORNIA PACKING CORPORATION, Berkeley. James M. Corley, assistant to the division industrial relations manager, will interview seniors in IE, ME, agricultural engineering, MA, FM, fruit production, crops, food processing and ABM. Positions are available in the Production Management Training Program (canneries) as well as for the Can Manufacturing Plant, Agricultural Research Field, and Farm Management Training. (2/10-11)

GENERAL ELECTRIC COMPANY. J. B. Holmes, western region manager, and Ron Morton, R. W. Coyle, J. C. Jackson, John B. Young, Jr., and R. L. Wooley will interview seniors in AC and R and architecture (structural) (if interested in sales engineering or manufacturing engineering), TA (if interested in industrial sales and field service testing and allied fields), tech journalism (if interested in technical writing) and aero, EE, EL, IE, math, ME, physics, WM, and chemistry for positions in the Technical Marketing Program, Manufacturing Training Program, Research Development and Design Training Program, and specific positions in marketing, manufacturing or research and development at most locations. (2/10-11)

NASA, FLIGHT RESEARCH CENTER, Edwards. Chester Wolowicz, recruiting representative, will interview seniors in aero, EE, EL, math, ME, and physics. (2/11)

SYLVANIA ELECTRONIC SYSTEMS, Mountain View. Mary Lou Grote, personnel representative for Systems Laboratory, will interview seniors in EE, EL, and ME. (2/11)

WASCO UNION SCHOOL DISTRICT. Dr. J. Foster, assistant superintendent, will interview teaching candidates for elementary positions. (2/11)

OWENS-ILLINOIS. W. Abbott Roberts, personnel director, will interview seniors in business administration and TA (for sales trainee) and IE and ME for positions as mechanical engineers, industrial engineers, industrial technologists, manufacturing trainees, and junior customer service engineers. (2/11)

(Continued on Next Page)
CATERTILLAR TRACTOR CO. P. A. Childs, college recruiting, and J. Curfman, Product Marketing Department, will interview all engineering seniors for research and engineering, manufacturing, and technical marketing positions. TA and TJ seniors are also invited to interview Caterpillar. (2/14)

PHILCO CORPORATION, Western Development Laboratories. Joe Weber, Sr., employment representative, will interview seniors in EL. (2/14-15)

ROHR CORPORATION. Gilbert Balkam, employment representative, will interview seniors in aero, ME, and WM. (2/14-15)

U.S. ARMY ENGINEER DISTRICT, CORPS OF ENGINEERS, Los Angeles. Harry M. Berger, chief, Personnel Office, will interview seniors in architecture (structural), EE, and ME. (2/14)

U.S. NAVAL ORDNANCE TEST STATION, China Lake. L. C. Garman, supervisory, general engineer, will interview seniors in aero, EE, EL, ME, physics, and math. (2/14-15)

Summer: A group meeting will be held for those undergraduates, graduates, and faculty members interested in summer employment.

VARIAN ASSOCIATES. James A. Kallgren, employment manager, will interview seniors in EL. (2/15)

THE POWERS REGULATOR COMPANY. D. P. MacCulloch, regional manager (Western 11 states) and R. C. Hansen, Los Angeles Branch manager, will interview seniors in AC and R, other engineering majors interested in sales engineering, business administration, and TA. (2/15)

CASTLE AND COOK, INC. Richard M. MacFarlane, assistant to the president, will interview seniors in ABM, crops, EE, FI, FM, ME, and soil science, for the Management Training Program which offers, after an initial orientation program, successive assignments of two to three months duration at selected divisions and companies located in Hawaii. (2/15-17)
CAMPUS CALENDAR - WEEK OF FEBRUARY 8-15, 1966

Tuesday, February 8

12:00 noon   Books at High Noon Luncheon Meeting   S D R

Wednesday, February 9

9:30 a.m.    Cal Poly Women’s Club - Travel Section   San Luis Obispo*

Thursday, February 10

8:15 a.m.    Applied Arts Division Committee Meeting   Admin. 213-A
9:00 a.m.    Agriculture Division Committee Meeting   Ag 138
12:00 noon   Staff Club Luncheon Meeting   S D R
8:00 p.m.    Varsity Swimming vs. Foothill College   Natatorium
8:00 p.m.    Frosh Wrestling vs. Cuesta College   Men’s Gym

Friday, February 11

2:30 p.m.    Varsity Baseball vs. University of Southern California   Los Angeles
6:30 p.m.    Varsity Wrestling vs. San Fernando Valley State College   Crandall Gym
8:00 p.m.    Varsity Wrestling vs. San Jose State College   Crandall Gym
8:00 p.m.    Varsity Basketball vs. California State College at Los Angeles (Preliminary-Cal Poly Colts vs. CSCLA Frosh - 5:45 p.m.)

Saturday, February 12

11:00 a.m.   Frosh Baseball: vs. Hancock College   San Luis Obispo
12:00 noon   Varsity Baseball: vs. University of California at Los Angeles   Los Angeles
2:00 p.m.    Varsity Swimming: vs. Fresno State College and University of Pacific   Natatorium
8:00 p.m.    Varsity Basketball vs. San Fernando Valley State College (Preliminary-Cal Poly Colts vs. SFUSC Frosh - 5:45 p.m.)
8:00 p.m.    Varsity Wrestling vs. Southern Oregon College   Crandall Gym

Monday, February 14

9:00 a.m.    Cal Poly Women's Club - Walking Group   San Luis Obispo*
2:00 p.m.    Campus Executive Council Meeting   Admin. 301

Tuesday, February 15

8:15 a.m.    Applied Sciences Division Committee Meeting   Admin. 301
10:00 a.m.   Engineering Division Committee Meeting   GA 101
12:00 noon   Books at High Noon Luncheon Meeting   S D R
YOU ARE INVITED — —

d... to the extra special faculty-staff social event of the year! This will be the birthday party commemorating Cal Poly's 65th anniversary and will honor President and Mrs. Julian A. McPhee. The six faculty and staff groups on campus are joining together in holding one big social activity for this occasion.

This important event will be held at the San Luis Obispo Elk's Club on Saturday evening, April 2. The program will be a dinner dance with all the glamour that goes with it. A no host social hour will be held from 6:00 p.m. to 7:30 p.m., and will be followed by a New York strip steak dinner served in gourmet style with all the trimmings.

Dancing from 9:00 to midnight to an 11-piece dance band will add the finishing touches to the evening.

The dress will be semi-formal. Cocktail or party dresses are in order for the women or a long dress may be worn if desired. Men can wear suits, dinner jackets, or tuxedos. Take your choice!

The cost for this evening will be $6.00 per person.

Here is an opportunity to celebrate our 65th anniversary and honor the president and his wife in an elegant and glamorous setting.

Members of the Cal Poly family with wives, husbands and friends will be coming. This is your invitation!

Mark the date on your calendar and make your plans to attend! Tickets go on sale March 1st.
