MEMORIAL SERVICES FOR MARGARET CHASE PLANNED FOR SATURDAY MORNING

Memorial services for Miss Margaret H. Chase, retired Cal Poly staff member who died February 16 in Santa Clara, will be held in San Luis Obispo at the Presbyterian Church Saturday (Feb. 26), at 11:00 a.m. Funeral services were held for her Feb. 18 in the Congregational Church in Valley Village, a retirement community in Santa Clara to which she had moved in August, 1965.

Miss Chase had lived in San Luis Obispo for 60 years, having arrived here in 1905 to teach in the local high school. In January of 1908 she joined the faculty at Cal Poly. She served as a teacher and administrator at Cal Poly for nearly 38 years, retiring in June, 1945. She taught English for 21 years of this period, from 1908 to 1917 and again from 1932 to 1945. She held several overlapping administrative positions: head of the academic department, 1915-1932; vice president, 1917-1932; and dean of the junior college department, 1927-1932. She was on the staff during the administrations of five of Poly's six directors or presidents and served as acting-president herself for the six months, February to August, 1924. Chase Hall, one of the College Avenue residence halls on campus, is named in her honor.

Born in Nova Scotia, Oct. 27, 1873, Miss Chase was 87 years old at the time of her death. Following retirement from Cal Poly in 1945, Miss Chase became even more active in San Luis Obispo church, club, and social work than she had been before. She became a member of the Presbyterian Church of San Luis Obispo in 1905 and was No. 3 on its chronological roll of membership. She was a charter member and past president of the Monday Club; she was founder of the American Association of University Women here; she served on the city library board for many years; was past-president of the World Affairs Council; and was active in the Red Cross.

A memorial loan fund is being established in her name at the college. Those wishing to contribute should send their checks to Everett Chandler, dean of students, made out to the Margaret Chase Memorial Loan Fund.

FEBRUARY PAYROLL WARRANTS WILL BE AVAILABLE MARCH 2

Payroll warrants for the February pay period will be available through regular pay channels March 2, according to an announcement issued last week by the Business Management Division. The February pay period does not end until March 1, according to the statement. Consequently, state payroll warrants for faculty and staff will not be available until the following day.
BANQUET WILL BE HIGHLIGHT OF ENGINEERING WEEK ACTIVITIES

The annual Engineering Banquet, scheduled for Saturday (Feb. 26) evening at 8:00 p.m., in the Student Dining Hall, will climax activities connected with observance of National Engineering Week on campus. A panel discussion entitled "The Future of the Engineer as a Specialist," which took place last night opened the week-long series of special events scheduled as part of the observance.

Guest speaker for the banquet will be prize-winning news correspondent John Morley, who in the past, has had exclusive interviews with a number of the key figures in the current Far East crisis, among them Red China's Premier Chou En-Lai and Free China's President Chiang Kai-Shek. Title for Morley's presentation will be "I Saw Today's Headline-World."

Also planned during the banquet program is special recognition for Cal Poly President Julian A. McPhee, 45 new members of Tau Sigma, campus honor society for engineering students; and "Mrs. Engineering Week," Mrs. Donna Whitmire.

Mrs. Whitmire, the wife of Dennis Whitmire, an aeronautical engineering student on campus, is a 24-year old brownette. A technician for a local dental practice, she formerly attended Modesto Junior College.

Throughout the week various departments of the Engineering Division will present technical exhibits and displays in the patio area near the Student Dining Hall and the Snack Bar. A special program provided by the Jet Propulsion Laboratory of Pasadena will also be presented in the Air Conditioning Auditorium, Thursday (Feb. 24) evening, at 7:30 p.m.

SPEAKERS BUREAU BEGINS FILLING REQUESTS

Some 10-15 requests for speakers and programs have either been filled or scheduled through activities of the Speakers Bureau formed on campus in connection with activities of the 65th Anniversary. Among those filled or scheduled are appearances before various Farm Bureau organizations, civic organizations, and other groups, both in the local area and in other parts of California.

Members of two campus debate teams were guest performers at the monthly meeting of the San Luis Obispo Chapter of the American Association of University Women, held Feb. 12, in the San Luis Obispo Elks' Club. Composed of Lonnie Allan, Michael Murphy, Joseph Musarra, and John Swineford, the student teams debated the national collegiate debate proposition: Resolved, that law enforcement agencies be given greater freedom in the investigation and prosecution of crime. Keith Nielsen, a member of the English and Speech Department faculty and coordinator of the Speakers Bureau, is coach of the debate teams.

Among those already scheduled to appear through the speakers bureau are Dr. Edgar Hyer, head of the Farm Management Department; James Berman, a member of the Agricultural Engineering Department faculty; Lloyd Lamouria, head of the Agricultural Engineering Department; Nielsen; Stuart Chestnut, a member of the Physical Education Department's faculty; and students Doug Butler, Kathy Notley, and Heather McPherson.

ANNUAL REPORT ON STATE COLLEGE PERSONNEL MATTERS AVAILABLE ON CAMPUS

Copies of the California State Colleges' Third Annual Report to the Governor and the Legislature on Personnel Matters arrived on campus earlier this month and have been distributed to the appropriate offices. Copies are on file in the Library for members of the faculty and staff who wish to review the report.
3D'S WILL PERFORM ON MEN'S GYM STAGE TOMORROW NIGHT

"The 3D's Present the 3R's -- Rhyme, Rhythm and Reason" will be theme of the concert by the 3D's, a rising new vocal-instrumental music trio on the national entertainment scene, during their concert on campus tomorrow (Wednesday, Feb. 23) evening. Planned for 8:00 p.m., in the Men's Gym, the performance is being sponsored by the College Union Assembly Committee and is a return engagement for the trio, which first performed on campus some 18 months ago.

Tomorrow evening's concert is expected to combine comedy, drama, music, and rhythm to showcase some of the world's best-loved literature. The pounding of cannon and thunder of hoof of the "Light Brigade," the triumphant march home with the head of Lewis Carroll's Jabberwocky, and the pathetic swoosh of Casey's third strike will all be among highlights of the performance.

Tickets for the concert, priced at $2.00, $2.25, and $2.50 each, will be on sale at Men's Gym ticket windows prior to curtain time.

VOCA TIONAL EDUCATION TEAM FROM SAN JOSE VISITS S L O CAMPUS

Four members of the vocational education staff of the San Jose City High School and City College District visited the San Luis Obispo Campus last week (Feb. 18) to study programs and facilities which might be of value in further development of vocational education in that city's high schools and junior college. Members of the team were Joseph Bellanger, director of vocational education; Joe Gensiraacus, coordinator manpower development and training programs; Mel Astrada, vocational education intern; and Rod Clendenen, coordinator of work experience programs and a participant in the Work Experience Education workshop held on the San Luis Obispo Campus last summer.

Hosts for the visitors were Clyde Hostetter, Instructional Materials Program coordinator; Richard Wiley, head of the Welding and Metallurgical Engineering Department; Frank Whiting, chairman of the Machine Shop Department; Bert Fellows, head of the Printing Engineering and Management Department; Fred Stueck, head of the Electronic Engineering Department; and James Rice, a member of the Technical Arts Department faculty. Walter P. Schroeder, head of the Education Department, made arrangements for the team's visit.

STAFF CLUB SCHEDULES ROSE PARADE FLOAT CHAIRMAN AS SPEAKER

"The Cal Poly 1966 Rose Parade Float" will be subject of a talk to be given by Richard Duncan, student chairman of the Cal Poly Rose Parade Float Committee for the San Luis Obispo Campus, during the weekly luncheon meeting of the Staff Club, planned for noon, Thursday (Feb. 24), in the Staff Dining Room. Color slides showing the float under construction will illustrate his talk.

Duncan is a senior mathematics major from San Leandro who expects to graduate in June. His activities as a member of the Cal Poly student body include membership in Blue Key, Rally Committee, Applied Sciences Council, Student Affairs Council, and Scabbard and Blade, and chairmanship of the 1966 Military Ball.

Cal Poly's entry in the 1966 Tournament of Roses Parade, which took place New Year's Day in Pasadena, won the Judge's Special Award, which placed it among the top 13 floats in the traditional spectacular. An estimated two million people watched the parade from its route and another 50 million were reported to have been television viewers.
FEDERSON WILL REVIEW "LOLITA" NEXT TUESDAY

Willard M. Pederson, head of the English and Speech Department, will review Vladimir Nabokov's Lolita during the Books at High Noon luncheon meeting being planned for next Tuesday (March 1), beginning at noon, in the Staff Dining Room.

Lolita placed second on a list of the most memorable and likely to endure works of fiction written between 1945 and 1965, which was published in the New York Herald Tribune's "Book Week" section, last fall. Some 200 critics, writers, and editors were asked, "Which works of fiction written between 1945 and 1965 are the most memorable and the most likely to endure?" for the list.

On today's (Feb. 22) program, Arthur Frietzche, also a member of the English and Speech Department's faculty, will review Testaments of Time by Leo Deuel. Starting time and place are both the same as those listed above for next week's meeting.

PROFESSIONAL IMPROVEMENT CENTER INCLUDED IN LIBRARY'S FACULTY READING ROOM

Current fellowship announcements including post-doctoral study and research opportunities are available in the Professional Improvement Center located in the Faculty Reading Room in the campus Library. Announcements of National Science Foundation grants and Fulbright-Hays grants may be consulted in the Reference Room. Those wishing information about a particular fellowship or graduate program not available in the files are asked to consult with Reference Librarian Phyllis Hansen, who is in charge of the improvement center and will be happy to send for it.

CONTINUED DISCUSSION OF FOREIGN STUDENT PROGRAMS SLATED THURSDAY

Continued discussion of an orientation program for foreign students to be instituted this fall is scheduled for the meeting of the Foreign Students Council, announced for Thursday (Feb. 24), beginning at 4:00 p.m., in Room 216 of the Library Building. Thursday's meeting has been called to allow for completion of matters considered during the FSC's quarterly meeting, which took place last week. Anyone interested in the campus' foreign student programs is invited to attend.

CAL POLY WOMEN'S CLUB NEWS

Newcomers Section - Next meeting of the Newcomers Section of the Cal Poly Women's Club will be tomorrow (Wednesday, Feb. 23) at 8:00 p.m., in the home of Mrs. Albert Fellows, 208 Hathway Street, San Luis Obispo. Speaker for the evening will be Morton Binder, a landscape architect and interior designer, who will offer inexpensive ideas on how to improve homes and gardens. Guests are invited to hear Binder's presentation which will be illustrated.

Walking Group - Members of the Walking Group of CPWC will meet at the home of Mrs. Leon Magur, 3393 Southwood Drive, San Luis Obispo, at 9:00 a.m., Monday (Feb. 28), for their next jaunt. Planned is a stroll around the Country Club Estates and Rolling Hills areas.

Sewing Section - Next meeting of the women's club's Sewing Section will be March 1, at 2:00 p.m., in the home of Mrs. C. H. Gregory, 213 Albert Drive, San Luis Obispo.

Bridge Section - Room 129 of the Library Building on campus will be scene of the next meeting of the CPWC's Bridge Section, beginning at 8:00 p.m., March 7.
QUESTIONNAIRES ON TAX SHELTERED ANNUITY PROGRAMS DISTRIBUTED

Questionnaires seeking information on tax sheltered annuity programs will be distributed to a random sample of members of the college faculty and staff before end of the week, according to information issued by the Personnel Office. The questionnaire is being distributed at request of the Office of the Chancellor of the California State Colleges, which is currently investigating such programs for addition to the CSC faculty benefits programs.

Even though completion of the questionnaires by the 10 percent of faculty and staff who will receive them will be sufficient to provide the needed information, others who wish to take part in the survey are welcome to do so. Those who do not receive the questionnaire by the end of this week and wish to participate are invited to come to the Personnel Office, Room 117, Administration Building, or to telephone (546) 2236.

MUSTANG CAGERS CLOSE SEASON AT FRESNO; OTHER TEAMS JOURNEY FOR WEEKEND ACTION

While most of Cal Poly's spring and winter sports teams are on the road for competition this weekend, varsity gymnastics and tennis action is featured on the schedule of events for the home front. Coach Vic Buccola's gymnasts host California State College at Los Angeles and San Diego State College in a double-dual meet planned for Men's Gym on campus, Saturday (Feb. 26), at 7:30 p.m., while the varsity tennis team opens its 1966 campaign at 3:00 p.m., today (Tuesday, Feb. 22), when it hosts Westmont College's netmen. Only other home action on tap this week finds the Colt baseball team meeting San Luis Obispo Senior High School at 3:15 p.m., Friday (Feb. 25), and Taft College, in a double header beginning at 10:00 a.m., Saturday, on the campus diamond.

Road action will find the varsity basketball, baseball, and wrestling team living from their suitcases. Coach Ed Jorgensen's cagers will close their season Friday night when they meet league champion Fresno State College in Fresno. The Mustang matmen will be in San Diego for the California Collegiate Athletic Association Championship Meet, planned for all day Saturday, and the baseball team will be in the Bay Area for three contests. The diamond club meets University of California at Berkeley, Friday afternoon, before encountering University of Santa Clara, Saturday morning, and Stanford University, Saturday afternoon.

DEADLINE FOR ENLISTMENT IN 2-YEAR ROTC PROGRAM IS NEAR

Deadline for the Army's two-year Reserve Officers Training Corps program is rapidly approaching for sophomore students, according to Col. E. H. Bauer, head of the Military Science Department.

Col. Bauer issued a statement last week which pointed out that students who have two years of college work remaining and plan to continue in a college which offers the advanced ROTC program are eligible to participate in the two-year program. They must qualify physically and pass the entrance examination to enter the six-week basic ROTC summer camp at Ft. Knox, Ky., this summer, to qualify for entrance into the advanced program next fall, the MS department head continued.

Mileage allowance, pay, and all uniforms, equipment, food, and lodging are provided by the government for those who fully qualify. Students who complete the camp will earn up to $1,200 during their last two years of college by being enrolled in the advanced program.

Students, counselors, and others desiring further details are asked to contact the Military Science Department, Room 115, Library Building.
OPENING OF BIBLICAL FANTASY "NOAH" SLATED FOR FRIDAY

Noah, an entertaining three-act play by Andre Obey, will open its four-night run with performances in the Theater on campus Friday and Saturday (Feb. 25-26) nights. Curtain time for the performances, which conclude March 4 and 5, will be 8:30 p.m. A special matinee for children will be at 1:30 p.m., Saturday.

The "Noah" of the play is essentially the same as the historical character in the Bible's Old Testament story of Noah, the Ark, and the flood. The play's presentation isn't a literal interpretation of the Bible story. It's a fantasy complemented by music and portrays the story of Noah, the Ark builder, his task, and accomplishment. It also shows his trials, faith, and a promise fulfilled.

Planned specifically for children, Saturday afternoon's matinee will have several of less interesting and important scenes deleted. Children attending must be accompanied by an adult and tickets, priced at $.50 each, will be sold at the door. No high school or college students will be admitted to the matinee performance.

Tickets for the evening performances are on sale at Wickenden's Men's Store, Green Brothers Clothing, Premier Music Company, and the Pizza Pantry in downtown San Luis Obispo and at Riley's Fashion Center in San Luis Obispo's College Square. All seats will be general admission and are priced at $1.25 for adults and $.75 for students.

The production is being staged and sponsored by the English and Speech Department.

WHO . . . WHAT . . . WHEN . . . WHERE ? ? ?

Lloyd Lamouria, head of Agricultural Engineering, addressed members of the Tractor and Implement Club of Northern California during their meeting in Oakland, last Friday (Feb. 18) evening.

Wayne E. McMorin, Electronic Engineering, attended the 1966 International Solid State Circuit Conference, which took place Feb. 9-11, at University of Pennsylvania. The conference was sponsored by the Institute of Electrical and Electronic Engineers.

Richard C. Wiley, head of Welding and Metallurgical Engineering, has been appointed by the American Society for Metals to serve on a qualifications screening committee for California registration of professional metallurgical engineers. He is a member of a five-man team screening Northern California applicants.

Howard Brown, head of Ornamental Horticulture, Ray Houston, and Jeannie Tucker, also Ornamental Horticulture, hosted meetings of the Board of Directors of the California State Florists Association, held Saturday (Feb. 19), on campus.

Evangelos Hadjimichael, Physical Sciences, participated in sessions of the 1966 annual meeting of the American Physical Society and the American Association of Physics Teachers, which took place Jan. 26-29, in New York City. Some 720 contributed papers and 67 invited papers were presented during the four-day meeting.

Robert F. Hoover, Biological Sciences, is author of an article, "A New California Stepheanomeria," which appeared in the Feb. 10 issue of Leaflets of Western Botany.
A C S C P CHAPTER WILL MEET THURSDAY NIGHT

The Cal Poly Chapter of the Association of California State College Professors is inviting candidates for election to the committee for college presidential selection to speak and answer questions from the floor, at the forthcoming meeting on Thursday (Feb. 24), at 8:00 p.m., in Room A12 of the Science Building. All members of the faculty are invited to attend.

NOTES FROM THE KELLOGG AND VOORHIS CAMPUSES

An estimated 500 high school students, parents, and counselors will visit the Kellogg Campus today (Feb. 22) for the annual "Campus Day." Primary purpose of the event is to provide high school students an opportunity to attend college classes of their choice. The day was scheduled to begin with an orientation program for all visitors from 9:00 to 10:00 a.m., and class visitation from 10:00 a.m. to 3:00 p.m. Other activities on tap included a seminar on teaching credential requirements, showings of the movie "No Limit to Learning," and conducted tours of campus instructional facilities.

J. Douglas Phillips, 1964 graduate of the Kellogg Campus with a degree in marketing, has been awarded the Vera Christie Graduate Fellowship given annually by the Western College Placement Association. Award of the fellowship to Phillips is the first such honor for a graduate of either Cal Poly campus. A marketing analyst for Standard Oil, Phillips is expected to use the $1200 grant to investigate recruitment and placement practices of graduates for management development in American industry.

PLACEMENT CALENDAR -- INTERVIEWS ON CAMPUS THIS WEEK

LITTON INDUSTRIES, GUIDANCE AND CONTROL SYSTEMS DIVISION. James O. Anderson, supervisor, college relations, will interview seniors in EE and EL. (2/22)

BUREAU OF YARDS AND DOCKS, Southwest Division, San Diego. Carl J. Yasi, personnel officer, will interview seniors in business administration, EE, EL, ME, and architecture (structural). (2/22)

B. F. GODRICH TIRE CO. Robert M. Montgomery, personnel manager, will interview seniors in IE, ME, and TA for positions in the B. F. Goodrich Tire Company's technical training program. (2/22)

BANK OF AMERICA. Dennis L. Elder, college relations representative, will interview seniors in all agriculture majors, for training programs in agricultural branches, business administration majors for training in branch or international banking, and math majors for training in computer programming. (2/22)

UNION OIL COMPANY OF CALIFORNIA. V. W. Frederickson, manager of employment services, J. G. Baird, superintendent of Northern Division Pipelines, and J. R. Kirkland, manager of personnel and training, will interview seniors in ME for oil field production, transportation and communications, and refining. In addition, seniors in applied arts, particularly business administration and TA as well as engineering majors will be interviewed for assignments in marketing and distribution. (2/23)

SUMMER: Juniors in the same majors who are interested in summer employment also are invited to sign for appointments. Sophomores particularly interested in the Union Company should contact the Placement Office for further information.
PLACEMENT CALENDAR (Continued)

FIDELITY UNION LIFE INSURANCE CO. Arthur G. Bauer, general agent, will interview seniors in business administration, PE, and any other major interested in life insurance sales positions. (2/23)

OSCAR MAYER. W. Koch, personnel manager, and L. Klinetobe, sales manager, will interview seniors in all non-technical majors who are interested in sales and sales management opportunities. (2/23)

MONTGOMERY WARD. W. J. Hughes, assistant regional personnel manager, and A. L. Wood, store manager for San Luis Obispo, will interview seniors in business administration, and any other majors interested in management trainee positions. (2/23)

JET PROPULSION LABORATORY. Lowell Anderson, senior personnel representative, will interview seniors in aero, EL, math, ME, physics and WM who are particularly interested in Jet Propulsion Lab's operations. (2/24)

Baltimore Air Coil. James Honeywell, plant manager, Madera Branch, will interview seniors in AC and R and ME. Positions are available for home office sales engineers, field sales engineers, and design and development engineers. (2/24)

G. L. GENDLER AND ASSOCIATES. G. L. Gendler, mechanical engineer, will interview seniors in AC and R, and EE. This group of consulting engineers in private practice is interested in those seniors having a preference to work as a trainee in the field of design of building systems. (2/24)

GENERAL MOTORS CORPORATION. D. F. Waggoner, director of salaried personnel placement, will interview seniors in architecture (structural), EE, EL, IE, ME, and WM for positions in research, product design, machine design, development and testing, process engineering, production engineering, plant engineering, sales and field service engineering, and production supervision. Business administration seniors may interview for assignments in all phases of accounting, finance, production and material control; and production supervision. (2/24)

SAN FRANCISCO BAY NAVAL SHIPYARD. William Imboden, head, electrical and weapons engineering; Don Bottenberg, marine engineer; and W. D. Drowne will interview seniors in all engineering and science majors. (2/24-25)

SUMMER: Sophomore and junior students in engineering and science majors interested in San Francisco Bay Naval Shipyard's summer vacation work-study program please contact the Placement Office for further information.

MATTEL, INC. TOYMAKERS. Bill Speich, supervisor, professional employment, will interview seniors in IE and ME. (2/24-25)

(Continued on Next Page)
INTERNATIONAL VOLUNTARY SERVICES, INC. Donald Fortner, IVS representative, will interview seniors in all majors interested in overseas opportunities. (2/25)

O N C MOTOR FREIGHT SYSTEM. Willard L. Galbraith, Director of Labor Relations and Training, will interview seniors in business administration and TA for opportunities in motor transportation. (2/25)

WESTERN GEAR CORP. F. L. Maier, industrial relations manager, and an engineering representative will interview seniors in ME and other engineering majors interested in employment with Western Gear. Seniors in applied arts and applied sciences with a particular interest in this company are welcome to sign for interviews, also. (2/25)

CORONA UNIFIED SCHOOL DISTRICT. George T. Capatanos, director of personnel, will interview teaching candidates for elementary and secondary positions. (2/25)

WORTHINGTON CORP. Warren F. Mills, manager, administration, and P. H. Shaw, will interview seniors in AC and R, EE, IE, and ME. Positions are available in design and production as well as field sales assignments. (2/25)

GENERAL FOODS CORP. J. B. Blackburn, personnel manager, will interview seniors in IE and ME for management assignments in processing, manufacturing, and operations; IE for assignments in effective utilization of plant equipment processes and manpower; EE, IE, and ME for engineering management assignments in process and project engineering. (2/25)

SOUTHERN CALIFORNIA EDISON COMPANY. John W. Clemson, personnel and college recruitment coordinator, and A. L. Guidero, chief of engineering services, will interview seniors in architecture (structural), EE, and ME. (2/25)

FIRST WESTERN BANK AND TRUST CO. James A. Ellis, training coordinator, will interview seniors in business administration, all agriculture majors, and other majors particularly interested in careers in banking. (2/28)

SECURITY FIRST NATIONAL BANK. A. J. Bielskis, vice president and personnel director, and V. Alvin Hester, assistant cashier, Personnel Department, will interview seniors in AEM, business administration, agricultural engineering, AH, and FM, as well as other applied arts majors interested in banking career opportunities. (2/28)

FIRESTONE TIRE AND RUBBER, Salinas. Alex Stocks, comptroller, and K. J. Risley, industrial engineer, will interview seniors in chem, IE, ME, and math. (2/28)

FIRESTONE TIRE AND RUBBER COMPANY, Akron, Ohio. A. W. Cruden, college recruiter, will interview seniors in business administration and other applied arts majors with an interest in sales management, retread production management, and credit. (2/28)

BAKERSFIELD CITY SCHOOL DISTRICT. Mrs. Marguerite Holcombe, director of personnel, will interview teaching candidates for positions in kindergarten through eighth grades. (2/28)

GENERAL ATOMIC DIVISION, GENERAL DYNAMICS CORPORATION. A. D. Stoddard, professional placement, will interview seniors in architectural engineering, EE, EL, ME, physics, math, and WM. (2/28)

VERNITRON CORPORATION. Lee Rothman, personnel manager, will interview seniors in EE. Juniors and seniors in EE interested in summer positions may arrange for an appointment with Vernitron. (3/1)

(Continued on Next Page)
BONITA UNIFIED SCHOOL DISTRICT. E. F. Clemmer, director, personnel services, will interview teaching candidates for elementary and secondary positions. (3/1)

AMERICAN RED CROSS. Gerald VanGenderen, assistant director-recruitment, personnel service, will interview seniors in social sciences and PE and any major particularly interested in American Red Cross opportunities. (3/1)

JOHNS-MANVILLE, Pipe Division, Long Beach. William Scott, assistant division sales manager, and Myron Kerbajian, sales engineer, will interview seniors in AC and R, agricultural engineering, IE, and ME for sales engineering positions. (3/1)

AMERICAN CAN COMPANY. Jack Ferry, personnel representative, and Charles A. Donnell, Jr., administrator, college recruiting, will interview seniors in IE, ME, and printing engineering and management. (3/1)

PACIFIC MISSILE RANGE, Point Mugu, and U.S. NAVAL SHIP MISSILE SYSTEMS ENGINEERING STATION, Port Hueneme. Howard E. Hawkins, head, Avionics Division, will interview seniors in aero, EL, ME, and physics (with a strong interest in electronics). (3/1)

SOUTHERN CALIFORNIA GAS COMPANY. A. J. Van Lund, Administrator, College Recruitment, will interview seniors in business administration, math, all engineering majors, and applied arts majors with one year of college level accounting for the following opportunities: Construction Planning Engineer, Corporate Accountant, Sales Engineer, Residential Sales Representative, Staff Analyst, and Analyst--Industrial Engineering Staff. (3/1)

SUMMER: Junior engineering students interested in summer employment may arrange for appointments by contacting the Placement Office personally.
CAMPUS CALENDAR - WEEK OF FEBRUARY 22 - MARCH 1, 1966

Tuesday, February 22

12:00 noon  Books at High Noon Luncheon Meeting  S D R
3:00 p.m.  Varsity Tennis: vs. Westmont College  Tennis Courts

Wednesday, February 23

8:00 p.m.  Cal Poly Women's Club: Newcomers Section  San Luis Obispo*
8:00 p.m.  College Union Assembly: The 3D's  Men's Gym

Thursday, February 24

8:15 a.m.  Applied Arts Division Committee Meeting  Admin. 213-A
9:00 a.m.  Agriculture Division Committee Meeting  Ag 138
12:00 noon  Staff Club Luncheon Meeting  S D R
8:00 p.m.  Association of California State College Professors Meeting - Cal Poly Chapter  Sci. A-12

Friday, February 25

2:30 p.m.  Varsity Baseball: vs. University of California at Berkeley  Berkeley
3:15 p.m.  Frosh Baseball: vs. San Luis Obispo High School  Baseball Field
8:00 p.m.  Varsity Basketball: vs. Fresno State College  Fresno
8:30 p.m.  English and Speech Department Production: "Noah"  Theater

Saturday, February 26

All Day  Varsity Wrestling: California Collegiate Athletic Association Championship Meet  San Diego
10:00 a.m.  Varsity Baseball: vs. University of Santa Clara  Santa Clara
10:00 a.m.  Frosh Baseball: vs. Taft Junior College  Baseball Field
2:30 p.m.  Varsity Baseball: vs. Stanford University  Stanford
7:30 p.m.  Varsity Gymnastics: vs. California State College at Los Angeles and San Diego State College  Men's Gym
8:30 p.m.  English and Speech Department Production: "Noah"  Theater

Monday, February 28

9:00 a.m.  Cal Poly Women's Club: Walking Group  San Luis Obispo*
2:00 p.m.  Campus Council Executive Meeting  Admin. 301

Tuesday, March 1

8:15 a.m.  Applied Science Division Committee Meeting  Admin. 301
10:00 a.m.  Engineering Division Committee Meeting  GA 101
12:00 noon  Books at High Noon Luncheon Meeting  S D R

* See article for further information.
