Paul Mills, the Mustang's 6'4" center, then picked up two quick fouls early and slowed the game down by a minute and 15 seconds.

The Mustangs took advantage of the inability to set up a basket and came back with a bang at the half, 44-38.

As if the pace wasn't slow enough, the Mustangs missed both free throws in the first half and had a 9-point lead heading to the second half, 44-32.

From then on it was all Poly. Mills' slam away off an LA Pacific put together a 9-2 Poly run, which ended with 8:10 remaining in the game.

The Mustangs went on a spread offense, again slowing the game down. This time it was executive with Poly hitting a layup and Poly held on to win the game.
